Robert E. West, Jr.	Term expires 1966
Howard Chandler—State Member	Term expires 1968

Regional Vocational School District

John Boyle	Term expires 1966

Report of the Board of Selectmen

To the Citizens of Easton:

The Board of Selectmen organized on March 29, 1965 with Arthur H. Tufts, Chairman, and Richard J. Kent, Clerk. George Cravenoh was named Chairman of the Board of Public Welfare.

Meetings were held on Monday nights and at various other times as was warranted. Efficient liaison was achieved with department heads and other appointed officials by their meeting regularly with the Selectmen, and regular releases of the minutes of the meetings were given to the news media to keep you informed. We supervised the accomplishment of the many projects authorized at the 1965 Town Meeting and effected the purchase of new equipment that was voted.

The official census set Easton's population at 10,130, ample evidence of our constant growth and of an expanding trend. Minimum lot sizes of 30,000 sq. ft. along the road, sidewalk and drainage requirements has discouraged the large developer from entering Easton and flooding the town with low cost housing, and we must be ever alert to defeat any attempts to relax these safeguards.

This growth has not been without its problems, however, as it increases the responsibilities of every department within the municipal framework. Our road mileage, for example, has almost reached 150 which poses a problem for the Police Department to control traffic and provide overall protection. We receive many speeding complaints which are all investigated, but when there's a cruiser in a given area motorists appear to have an uncanny knowledge of it and drive very cautiously. We have had State Police Radar Units in town working with local police, which revealed many minor violations, a good portion of which were by Eastonites, but few flagrant offenses. If everyone would drive as carefully in the other fellow's neighborhood as they do in their own, this problem would be greatly reduced.

The additional mileage also increases general highway expenditures through increased maintenance costs, rubbish collection, snow and ice removal, etc. Snow and ice removal is most difficult work at its best. The Town has eleven plows which are all assigned to specific routes. Their first responsibility is to get all roads open for emergency purposes and then make repeated passes to widen and push back. Depending on the severity of the storm, it is possible to spend many hours just keeping the road open which often leads to calls that "we haven't seen a plow in the neighborhood." The fact is that the road filled in before the plow completed its swing and returned. The ideal situation would be to have enough plows for each to concentrate on a small area but this would not be economically feasible. To augment the Town's plows two private units are hired on a regular basis, and we hope to hire two additional units during future storms. It would help greatly if more private plows could be put on, but most of them have private or state contracts which give them a much greater return than would the town, and they are just not available when they are needed.

The frontend loader you authorized last year did a tremendous job in loading sand and salt, in digging out heavy drifts and in snow removal. It proved that the right equipmet will do any job. This year we have requested a backhoe attachment for it which will eliminate $1500-2000 annually in equipment hire which actually would pay for it in two to two and one-half years and leave us with a serviceable piece for many years to come. The wisdom of this purchase is obvious.

Each year more and more requests are received to sweep the streets in the spring of the year after the winter's sanding and during the summer months after streets have been tarred. This accumulation is exremely hazardous to vehicular and pedestrial traffic alike and should be removed as soon as possible. Hand sweeping is primitive, slow and expensive, but has had to be utilized because we have been unable to hire a sweeper until late in the year. Easton is the only town in the area that does not have at least one sweeper, and this year we are recommending that you purchase one. The original investment is quite large but is tolerable when spread out over its expected life of ten or more years. A sweeper not only takes care of the above-mentioned situations but also is used daily in progressive communities for good housekeeping.

Some ten years ago the operating condition, obsolescence and lack of suitable highway equipment was so deplorable that it was frightening. In retrospect it was only through the resourcefulness and ingenuity of the personnel that the work load was ever accomplished at all. After taking a long hard look the Selectmen initiated a replacement and addition program which has modernized the fleet and given the employees the tools to work with, but this is a continuing project and any attempt to cut it back now would be disastrous. Today we are doing one-third more work with less personnel and with a departmental operating budget that has barely changed. Every piece of equipment you are asked to approve is used to improve and expand the services you expect, and it is foolhardy to think that they can be provided without it in this age of automation.

Municipal salaries have been edging slowly upwards during recent years but are going to go much faster if we are to at least retain personnel we now have not to mention attracting skilled employees to fill some existing vacancies. The State very generously provides minimum salaries for schools, police and fire but makes no provision for the many other loyal dedicated employees who have to sweat through a Finance Committee and Town Meeting for recognition. We made some highway salary adjustments late in 1965 to forestall the loss of some key men to private industry and to maintain the morale of others, but this is just a stopgap to a thorough realistic reappraisal of the whole salary structure which is a must for 1966.

This same problem applies to the part time positions such as wire, building, plumbing and gas inspectors in particular, and to others such as dog officer, animal inspector, etc., in general. All of these and many more are required by law, and we must appoint, but if we have no applicants because the salary is unattractive, what then. These men are all highly paid in their trades and expect to be adequately compensated when the Town of Easton is their employer. Their services are used to protect the people of Easton and future residents, and the fees collected more than pay for the operating expenses. The Finance Committee has arbitrarily cut our recommendations for the Wire and Gas Inspectors salaries, but we hope that the wisdom of the Town Meeting will support our recommendations which are conceived as the result of working with these appointees on a year-round basis, and with the knowledge that at least one of these positions will be vacated because the present appropriation is inadequate.

Final budget deliberations with various department heads were greatly simplified this year because of continuing discussions held throughout the year while actual expenditures were being made. The wisdom of this new approach was confirmed by the fact that not one cent was cut by the Finance Committee. We note, however, that some of our salary recommendations were changed and that they did not go along with some article proposals which of course will be discussed at Town Meeting. We had several harmonious meetings with the Finance Committee and others with Chairman Robert J. Wood and must compliment them for their interest in town affairs and dedication of purpose.

In addition to the performance of our Selectmen's functions, we participated in many local events, county and state meetings, seminars on municipal government, Area Transportation Study, Regional Junior College Committee, a forum on Municipal Finance and a Self Help Program under the Economic Opportunity Act. It is encouraging to see the various departments functioning so smoothly and efficiently, and we are grateful to all town employees and other boards and officials for their cooperation throughout the year, and to the people of Easton for allowing us the privilege of serving you as Selectmen.

Respectfully submitted,

ARTHUR H. TUFTS, Chairman
RICHARD J. KENT, Clerk
GEORGE CRAVENHO

Report of the Assessors

To the Citizens of Easton:

We submit the following report of the Town of Easton as assessed January 1, 1965:

Valuation of Town

Valuation of Real Estate	$39,432,480
Valuation of Personal Property	1,626,815
Total Valuation	$41,059,295
Number of Persons and Corporations Assessed	3600
Rate of Property Tax per Thousand of Valuation	$42
Valuation of Motor Vehicles Assessed for 1965	3,626,040
Valuation of 1964 Motor Vehicles Assessed in 1965	343,670
Rate of Motor Vehicle Tax per Thousand	$66
Number of Acres of Land Assessed	15,863
Number of Dwelling Houses Assessed (including 49 Trailers)	2,605
Number of Horses	24
Number of Neat Cattle	59
Number of Sheep	49
Number of Fowl	300
Number of all Other Animals	4
Under the Farm Animal Excise the following were assessed:	
Neat Cattle	223
Swine	40
Fowl	31,235
All Other	712
Horse	1

Recapitulation

Amount Raised and Appropriated (Approved under C 44 Sec. 31)	$10,000.00
Amount Raised and Appropriated at Annual Town Meeting	1,965,384.21
Amount Appropriated from Available Town Funds	265,756.14
Bond and Interest Charges	244,915.25
County Retirement and Group Insurance	46,108.34
State Parks and Reservations	5,621.46
Motor Vehicle Excise	1,017.75
Mosquito Control	6,006.59
State Assessment System	363.12

County Tax		49,149.70
Tuberculosis Hospital Assessment		11,371.37
1963 Overlay Deficit		2,310.00
Overlay		69,976.34
State Audit of Municipal Accounts		61.14
Gross amount to be Raised		$2,678,041.41
Estimated Receipts	$621,540.72	
Over Estimate County Tax	759.29	
Over Estimate Mosquito Control	39.12	
Recreation and Parks	455.75	
Available Funds:		
Water	138,305.00	
Water Bond Account	66,022.51	
Overlay to Reserve	6,000.00	
E&D Account	48,000.00	
Reduce Tax Rate	65,000.00	
Ames Funds	2,700.00	
Parkview School Account	4,728.63	
Total Receipts and Available Funds		953,551.02
Net Amount to be Raised by Taxation on Property		$1,724,490.39

There was an increase in the assessed valuation of the Town of $1,045,125. The gross amount to be raised and appropriated was $371,751.50 more than the previous year.

Respectfully submitted,

FREDERICK J. MEADE, Chairman
JOHN A. KEACH, JR., Clerk
WILLIS G. BUCK

In Memoriam

MARGARET E. HARVEY

In the passing of Margaret E, Harvey, the Town of Easton has lost a dedicated citizen. The door of the Public Welfare Office was always open to help the deserving and the needy.

In May 1937, she came to work in the Bureau of Old Age Assistance. She worked as agent until she became Director of Public Welfare in 1961 and continued in such capacity until her failing health caused her retirement in February 1965.

The Town of Easton benefited by her many years of devoted service and it is with a profound sense of loss that we note the death of Miss Harvey.

REPORT OF THE BOARD OF PUBLIC WELFARE

The number of cases processed by the Easton Public Welfare Department was increased by six cases over the year 1964. Old Age Assistance up three cases, Medical Assistance for the Aged up one case, Aid to Dependent Children down two cases, and Disability Assistance increased four cases.

Disability Assistance cases are approved by the State Medical Review Board and not by the local office.

The following number of cases were active as of December 31, 1965 — exclusive of General Relief

O.A.A. — 38 recipients
M.A.A. — 46
A.D.C. — 18
D.A. — 12

Total 114 Cases

The Welfare Department found itself with adequate funds for the year and the Federal accounts carried over to the year 1966 considered reasonable.

Louis G. Silva was appointed Director on March 1, 1965 to replace Miss Margaret Harvey.

Louise M. O'Rourke was appointed Social Worker, May 10, 1965, to replace Elizabeth Porelle, who resigned for a teaching position.

Jeanne E. Carlson continued in her capacity as clerk.

Respectfully submitted,

GEORGE CRAVENHO, Chairman
RICHARD J. KENT
ARTHUR H. TUFTS

REPORT OF MATERNAL AND CHILD WELFARE NURSING SERVICE

To the Selectmen and Board of Health of Easton:

The following is the annual report of the Maternal and Child Welfare and Nursing Service for the year 1965:

Six clinic-conferences were held during the year by the Easton Nursing Association, Inc., at the nursing office, Frothingham Memorial House. Dr. Clara Waldinger, pediatrician, of Boston, was the attending physician. The clinic-conferences, for well children only, of preschool age, residents of Easton, provide a physical examination, Sabin trivalent oral polio vaccine, Diphtheria, Whooping cough and Tetanus Antigen immunizations, Vaccination against Smallpox and the Tine tuberculin test or Mantoux tuberculin test. Referrals to the family physician are made of any defects found.

28 infants and 136 preschool children attended the clinic-conferences in 1965. There were 46 infant and 237 preschool children visits made to the clinic-conferences throughout the year.

193 doses of trivalent polio vaccine was given to 33 infants and 160 preschool children.

133 injections of DPT Antigen (Diphtheria, Whooping cough & Tetanus) were administered to 25 infants and 108 preschool children.

38 children were vaccinated against smallpox.
20 children had the Mantoux tuberculin test.
13 infants and 27 preschool children had physical examinations.

Of these children attending the clinic, 8 preschool children had booster doses of Sabin trivalent polio vaccine, 6 infants and 22 preschool children completed the basic series of DPT Antigen (3 injections), 40 preschoool children received DPT booster doses and 8 preschool children received second booster doses of DPT Antigen.

The Maternal and Child Health Supervision, exclusive of children attending the clinic-conferences, is as follows:

	Cases	Visits
Ante-partum	22	31
Post-partum	113	188
Newborn	113	143
Infant	101	145
Preschool	242	527
School children	6	10
Acute Communicable	2	2
Other		83
Unclassified		34
	599	1163

The Easton Nursing Association, Inc., service, is available to any resident of Easton. Hospital beds and other sick-room equipment, for home use, are available at the nursing office. The nurses can be reached at the Easton Nursing Association office, Frothingham Memorial House, Barrows Street, North Easton.

Office hours: 8:30 to 9:30 A.M., 1:30 to 2:30 P.M.

Telephone 238-2651.

Respectfully submitted,

ELLEN A. ATWOOD, R.N.

REPORT OF THE BOARD OF HEALTH

To the Citizens of Easton:

In the year 1965 there were two hundred forty-eight cases of dangerous diseases reported to the Board of Health, as follows: Chickenpox, seventy-four; Dogbite, fifty-six; Raccoon bite, one; Chipmunk bite, two; German-Measles, two; Hepatitis, Infectious, one; Measles, sixty-two; Mumps, forty-five; Salmonellosis, one; Strep Throat, two; Scarlet Fever, one Pulmonary Tuberculosis, one.

Three patients ill with Tuberculosis were hospitalized at Norfolk County Hospital in Braintree. Out patient facilities are still available at Bristol County Hospital in Attleboro. The outpatient department is open from 8:30-11:00 A.M. and 1:00-4:00 P.M. Monday through Friday and every Saturday from 8:30-11:00 A.M. No appointment necessary during these hours.

The Bristol County Mosquito Control Project is continuing its work for mosquito control as noted in their report. No aerial spraying was conducted in Easton in 1965.

Regular milk inspections are being made of milk sold in Easton.

The Town Dump is open every day except Sundays and holidays for controlled dumping.

Medeiros Stock Farm has the contract to collect garbage and dispose of same for the Town.

The Board has made many inspections this year including places of business handling food, day camps, swimming pools, the dump and many drainage conditions and for new construction.

The Health Department receipts in 1965 a mounted to $1,302.00 which was turned over to the general fund of the Town.

Licenses issued by the Board in effect as follows: one trailer park license; one piggery permit; three garbage transportation permits; one slaughtering license; one non-alcoholic beverage bottling license; one milk pasteurization license; one ice cream manufacturing license; fifty-three oleo and milk licenses; three day camp licenses; one funeral director's license; one massage license; one hundred twenty-one plumbing permits; sixty-four septic tank permits, thirty-six burial permits were issued.

Respectfully submitted,

ROBERT F. CRAIG, Chairman
LAWRENCE J. HURLEY
ROBERT H. ROLLINS
Board of Health

REPORT OF SLAUGHTERING INSPECTOR

To the Board of Health of Easton:

I herewith submit my report for the year ending December 31, 1965.

During the year I have inspected and passed 124 cattle, 31 sheep, and 95 calves.

Respectfully submitted,

J. CLINTON GOWARD
Inspector of Slaughtering

REPORT OF MILK INSPECTOR

To the Board of Health of Easton:

During 1965 samples of milk were collected from local and out of town dealers who sell milk in Easton. These samples were tested for percentage of butter fat, total solids, sediments and plated for bacterial count. Samples of milk were also collected from local stores and given similar tests.

The local farms on which milk was produced and retailed in Easton were inspected for conditions of herd, barn, milk room, refrigeration, and condition of utensils.

Licenses issued to the stores for the sale of oleomargarine numbered fifteen, milk and cream licenses for vehicles numbered fourteen, and store licenses for the sale of milk and cream numbered twenty-four. The quality of milk consumed by everyone in this area has continued excellent.

Respectfully submitted,

WILLIAM H. TUFTS
Milk Inspector

REPORT OF THE PLUMBING INSPECTOR

To the Board of Health of Easton:

There were 121 permits issued in the year 1965 and the fees collected amounted to $819.00.

Respectfully submitted,

GEORGE E. SAWYER
HAROLD A. DALY
Plumbing Inspectors

REPORT OF THE CONTINUING SCHOOL BUILDING AND SCHOOL SITE COMMITTEE

Authorized under Article 25 of the Town Meeting of 1965, this committee was appointed by the Moderator. Several meetings were held during the past year, at which future school building requirements and possible school sites were discussed.

The committee inspected the present school facilities. In addition, trips to possible future school sites were also undertaken.

The Baker Report, a study of school needs, was thoroughly discussed. Its school enrollment projections were carefully evaluated. After studying these projections and comparing them to actual enrollment, the committee felt that an immediate need for undertaking new school building did not exist this year. We intend to re-evaluate our growth when we have further information next year.

However, the committee strongly urges that some presently available land be purchased now for future needs rather than waiting until these better sites are unavailable. Pursuant to this we have placed an article in the Warrant for 1966 for the necessary authorization and appropriations to acquire this land.

We have also requested an Article be placed in the Warrant for expenses of this committte. No money was spent last year and the funds were returned to E. & D. account.

Respectfully submitted,

THOMAS E. OLLIFF, Chairman
LEO D. McEVOY, Secretary
ROSS J. BRIDGE
HAROLD CRAIG
WALLACE S. GILMORE
ALFRED F. GOMES
ROBERT D. GREGORY, JR.
ALLAN D. MacLEAN
GOODWILL M. STEWART, M.D.

REPORT OF THE BOARD OF APPEALS

To the Selectmen of Easton:

We the members of the Easton Board of Appeals respectfully submit the following annual report for the year 1965.

Twenty-two petitions were received by the Board during the year. Two of the petitions at the request of the appellants were given leave to withdraw, as they had not been duly advertised fees were refunded.

In conformity with the law, notice of public hearings were duly advertised, copies of the notice were mailed to the petitioners, the Planning and Zoning Board and the abutting property owners as they are recorded with the Assessors.

The members of the Board after hearing all the facts and evidence as presented at the public hearings, and visiting the premises in question, acted as follows:

Petitions Granted	12
Petitions Denied	5
Petition Withdrawn	1
Petitions Pending	2
Total	20

Nine of the petitions granted pertained to the use of premises on a yearly permit basis. Three were for variances pertaining to the land.

Three of the five refusals pertained to land variances, one operating a business in a dwelling located in a residential zone and the other the locating and use of a trailer coach as a dwelling.

The Board wishes to thank all the departments for their assistance and cooperation during the past year.

Respectfully submitted,

JOSEPH M. HURLEY, Chairman
WILLIAM G. BASSETT, Secretary
E. VINCENT CARLSON
JOHN W. MAHONEY
DAVID M. ROHDIN

REPORT OF THE VETERANS' SERVICE DEPARTMENT

To the Selectmen of Easton:

I respectfully submit my report as the Director of Veterans' Services and Veterans' Agent for the year ending December 31, 1965.

During this period there were 3,760 inquiries received from Veterans and their dependents for information and/or assistance on Veterans' Benefits, G.I. Schooling, On-the-Job Training, Job Placements, Hospitalizations, Out-Patient Treatment, Annual Income Questionnaires, Mortgages, Civil Service, Photostats of Vital Documents, Notarizations, Compensation and Pension Claims.

Veterans' Benefits

Appropriations — 1965	$20,000.00
Expenditures — 1965	16,132.84
Unexpended Balance	3,867.16
Reimbursement from the Commonwealth of Massachusetts	6,548.41
Received from case covered by Real Estate Lien	6,248.86
Total refund to the Town of Easton for 1965	$16,664.43

Administrative Expenses

Appropriation — 1965		$635.00
Expenditures — 1965		
Assn. Dues	$25.00	
Automobile	240.00	
Drug Book	9.00	
Office Supplies	5.98	
Postage	50.00	
Telephone	272.90	
Total Administrative Expenses		602.88
Unexpended Balance		$32.12

May I express my appreciation for the assistance and cooperation accorded to me by you, and all Town Officials, Boards and Committees.

Respectfully submitted,
WILLIAM J. HANSON
Veterans' Agent

HIGHWAY DEPARTMENT

Board of Selectmen
Town of Easton, Mass.

The first of the year we spent most of our time removing snow, salting and sanding after snowstorms and freeze ups. We hand sanded sidewalks, Fire Stations, around Schools and other town property.

Some of the Winter months were spent inside, painting, cleaning, etc.

In the Spring we had a road check to determine which roads we would seal and which roads we would resurface with a mix.

The pot holes were filled after the Spring thaw and some of the roads were swept.

It was impossible to hire a sweeper last Spring. In order to be sure we can get our roads swept in the Spring we should have our own sweeper. I am requesting a sweeper at the Town Meeting this year, if we have our own we can use it most of the year and keep our streets clean at all times.

During the summer 48 streets were sealed or had a mix put on.

We replaced the sidewalk in front of the Ames Memorial Hall and made some minor repairs around the property.

We placed a new culvert across Purchase Street and this should help to control the mosquito growth in this area after the Bristol County Mosquito Control has completed their project in this section of the Town.

Parts of Foundry Street and Depot Streets were resurfaced with ST mix as Chapter 90 maintenance.

Sidewalks were repaired as the time allowed and we will continue this project during 1966.

Greens, cemeteries, office lawns and playgrounds were mowed as they needed it during the year.

The new and larger Rubbish Truck has enabled us to keep the rubbish collection on a three day week for the time being at least.

The new Michigan Loader has proved an asset to the Town many times during the year, especially during the winter months, we are now able to load our trucks with salt and sand and get them on the road with much greater speed.

Drainage is still a problem. During 1965 we put in some dry wells and replaced some drains. There are still some old stone culverts and they will have to be replaced as soon as possible.

The complaints are attended to as soon as possible after they are received.

We removed some stones from the roads this year and we will continue this project as soon as the weather will allow us to.

The brush was removed from along the sides of some roads.

At the Town Meeting I am requesting a backhoe to be used on the Michigan loader. During 1965 we spent $1747.00 hiring backhoes. At this rate a backhoe of our own would pay for itself in a very short time.

I wish to thank the men of my department for their cooperation during the past year, also the other departments for their assistance and the Board of Selectmen for their interest and attention.

Respectfully submitted,

HARDING C. REYNOLDS,
Highway Supt.

REPORT OF THE WATER COMMISSIONERS

The Water Commissioners submit the following report for the year 1965:

Following the Town Elections in March of 1965, Mr. John McEntee was appointed Superintendent, Mr. George Newman, Assistant Superintendent and Mrs. Louise Holmes was appointed as Office Manager.

We were pleased to report that the new well on Red Mill Road is in operation, capable of providing an additional half million gallons of water per day.

The Water Superintendent's report shows 97 new services installed during 1965 with approximately 50% of these in the Furnace Section.

We are including in our budget for 1966, $5,000 for continued search for additional wells, as we feel this is of utmost importance to assure us of adequate water supply in the future. The Superintendent's report on water consumption for 1965 shows an increase of almost 20 million gallons over 1964 consumption.

The Fire Underwriters have completed their survey of the Town but at this time we have not received their final report.

We will have an article in the Town Warrant to transfer $71,262.50 from Available Funds to pay the Bonded Indebtedness of the Water Department.

There will be several articles by petition in the Town Warrant pertaining to water extensions. The Water Department is in the process of making application to the Federal Government for aid to complete these projects.

In November 1965, Mr. Nick James retired from the Water Department after years of faithful service. We wish him much happiness in his retirement.

We would like to thank the Selectmen and other various Town Departments for their cooperation during the year. We want to thank, also, the employees of the Water Department for their interest and in doing an excellent job.

Respectfully submitted,

RUSSELL A. POLLARD
RAYMOND TAYLOR
JAMES H. HEALEY

REPORT OF THE WATER DEPARTMENT SUPERINTENDENT

To the Board of Water Commissioners:

Gentlemen:

I respectfully submit the following report and pumping record for the year 1965.

Month	No. Gallons
January	29,524,100
February	27,550,600
March	31,666,400
April	31,278,100
May	35,305,000
June	34,084,400
July	34,351,400
August	33,225,400
September	26,401,900
October	24,207,200
November	24,341,700
December	24,895,600
Total	356,831,800

The total gallons pumped in 1965 showed an increase of 19,714,900 gallons over the 1964 figures.

The greatest amount pumped in one week was 9,096,000 gallons week of June 20, 1965.

The greatest amount pumped in one day was 1,480,300 gallons on Tuesday, June 22, 1965.

There were 97 new services installed and 13 old services renewed during the year, making a total of 2524 service connections. There are approximately 60 miles of water pipes with a total of 384 fire hydrants.

The Red Mill Road pumping station was put into operation on November 17, 1965 and is working quite satisfactorily. With the three pumping stations running; namely, Station #1, located off Washington Street in back of the Clock Farm, Station #2, located off Center Street in Haskell's old gravel pit and Station #3, located on Red Mill Road off Norton Avenue, the total pumping capacity for the Town is 2,188,000 gallons per day.

All motors, pumps and stand-by gas engines are in good condition and operating efficiently.

The two storage tanks are in good condition but are due for an outside painting in 1967.

Respectfully submitted,
JOHN H. McENTEE,
Superintendent

REPORT OF THE DOG OFFICER

To the Selectmen of the Town of Easton:

I herewith submit by report as the Dog Officer for the year 1965.

410	Calls received and investigated
63	Cases of dog bites reported
100	Dogs reported missing
64	Dogs found
6	Dogs found new homes
41	dogs hit by cars-fatal
21	Strays picked up kept for 10 days and then disposed of
14	Dogs hit by cars not fatal
3	Dogs poisoned-fatal

Respectfully submitted,
EDMUND J. MALLEY
Dog Officer

REPORT OF THE HOUSING AUTHORITY

To the Citizens of Easton:

At the regular Town Meeting held on March 16, 1965, the voters adopted Article #12 and established the Easton Housing Authority. The function of this Authority is to investigate a state-aided housing for the elderly program for Easton citizens—over 65 and of limited income—and to take the necessary steps to bring that program into existence. Easton became the 137th community in Massachusetts to do this.

This Is A Progress Report:

By adopting Article #12 the voters accepted Chapter #121 of the General Laws, authorizing the Selectmen to appoint a four-member board, with a fifth member appointed by the State. It is given the responsibility to build a housing complex for the elderly—if in its judgment low cost housing is needed.

The nature of this Authority is that of an independent board within the framework of town government. Since no funds from the local property tax are used, the Authority exercises a free and independent role within town government.

The first order of business for the Authority was to seek the advice of the State Division of Housing and then to incorporate under the by-laws of the Commonwealth of Massachusetts.

After considerable review of statistical information provided by the State Division of Housing and the Easton Board of Selectmen, the Authority decided that a housing for the elderly program is needed in Easton—the basic question confronting us then was how large should it be.

In order to be absolutely certain there was a need, a newspaper survey was conducted in October through the courtesy of the Easton Bulletin. Results of that survey led us to believe that a forty-apartment complex is advisable. The State Board of Housing—with whom we must work closely— has confirmed the Authority's conclusions.

Our next step was to find a suitable piece of land close to churches, public transportation, shopping areas, doctors, and integrated within the community. After careful consideration of a number of sites—and negotiations with the owners—the Authority selected a site on Baldwin Street, North Easton. The owner, Mrs. William Parker, generously made a gift of six and one-half acres to the Authority. Because the land was given, rather than purchased, rents for the apartments will be considerably less.

Next, came the job of choosing an architect. The Authority interviewed more than a dozen to draw up plans for a forty unit complex and community building for recreation. We finally chose the firm Drummey, Rosane, and Anderson of Newton, Mass.

Financing came next. The Authority has entered into a contract with the Commonwealth of Massachusetts to finance the project. Bonds will be sold on the market and the Commonwealth will pledge its credit to guarantee repayment. Estimated cost of the project—on the basis of the State's long experience in housing for the elderly—will be $540,000. The life of the bond issue will be forty years.

The entire mortgage will be paid off through rental income and a small state subsidy. This subsidy—there to keep rents within reach of the elderly—is 2% of the total construction cost. It is given annually.

Eligibility requirements for the elderly are as follows: a person must be 65 or over and be of limited income—less than $2500 per single individual; less than $3,000 for a couple.

In order to understand the program clearly, perhaps this analogy will help:

> The Easton Housing Authority is a corporation. The Authority members are the Board of Directors. The elderly occupants are the stockholders in the corporation. During the next forty years the principal, interest, and maintenance costs will be paid off through rentals. In forty years we own the complex, debt free. It belongs to the Town of Easton.

With the exception of the State's subsidy, the program is entirely self-supporting. No costs are borne by the Town of Easton.

Present plans call for construction to begin in late spring. Normally about ten months are necessary to complete the project. Hopefully, Easton's elderly will be able to occupy the apartments early in 1967. It will be a little community in itself.

This Authority has taken all the steps necessary—in its judgment—to get a program for the elderly underway. We are confident that our decision will be beneficial to both the elderly citizens and the entire community.

Respectfully submitted,

GEORGE T. McGARRY, Chairman
JOHN T. FARRINGTON
ROBERT E. WEST, JR.
CHARLES J. MALCOSKY
HOWARD CHANDLER

REPORT OF THE TREE WARDEN

During 1965 pruning of dead wood was completed on several streets in Town. Street lights were cleared of obstructing branches as were curves for better visibility.

Sugar Maples are severely affected by the drought conditions of the past five years. Considerable time was spent on Center Street trimming and removal of many Maples.

Thirty one Sugar Maples, five oaks, three Pines and one Hickory were cut down and disposed of. Five were for road or utility construction.

Cytospora Canker was not as prevelant in 1965 on Norway Maples.

All requests for spraying poison ivy were completed. Schools, play areas and ivy along several streets were sprayed, during the poison ivy eradication period.

Moraine Locust, Maples, Oaks and Lindens were purchased and planted, with funds available. All new trees were watered several times during the Summer.

It would be greatly appreciated if the home owners would water these newly planted trees and protect this investment of Town funds.

To continue this tree planting program I am requesting $300.00 at the annual Town Meeting.

Again I am asking for a Skyworker for this department with the intent of reducing the personnel by one man, this should pay for this equipment in three or four years and we will accomplish more trimming and cutting in a much safer manner for the men of this department.

I wish to thank the men of my department, the Highway Department, and the Board of Selectmen for their assistance during the year.

Respectfully submitted,

DANIEL B. AMORIM
Tree Warden

REPORT OF THE MOTH DEPARTMENT

I submit the following report of the Moth Department for the year 1965.

Elms were sprayed with Thiodan during May and June for the control of leaf beetles and aphids, throughout the Town. Elms on private property that were accessable with the Mist Blower were done at this time also.

During July and August a second foliage spray was applied with Lindane or Sevin.

Spraying of Willow leaf bettle, Willow flea beetle, Pine needle aphid etc., were sprayed as needed. Tent caterpillar nests were destroyed and the areas sprayed.

Under the existing laws of Massachusetts a man must be licensed to apply and use pesticides on land of another person. Some of the personnel of this Department have passed this examination and are licensed operators.

In April a dormant spray was applied to all Elms for the control of Elm bark beetles vector of the Dutch Elm disease.

Seventy one Dutch Elm specimens were sent to the Massachusetts Shade Tree Laboratories at Amherst, Mass. Sixty eight Elms were found to be diseased, sixty of these have been removed and destroyed. Eighteen stumps were cut below grade with a stump cutter, one stump was dug out and disposed of.

Respectfully submitted,

DANIEL B. AMORIM
Moth Supt.

ANNUAL REPORT OF THE EASTON PLANNING AND ZONING BOARD

To the Citizens of Easton:

1965 has been another busy year for your Planning Board with regular monthly meetings, special meetings and public hearings having been held.

Three new subdivisions have been approved and are now being constructed. Wallace S. Gilmore presented his subdivision of Section No. 2 of High Oaks consisting of ten additional lots. The new street in this subdivision will be known as Julie Road. The Ernest Gailis subdivision starts on Summer Street, contains twelve lots, and the street will be known as Baltic Avenue and will connect with the Walter Endriunas subdivision starting on Sheridan Street also containing twelve lots.

Beech Tree Lane and Laurel Drive have been completed, inspected by the Board and meet with our approval.

For the past two years we have been studying the pros and cons of a Master Plan for the Town. The Board has interviewed several planning consultants and chosen the firm of Metcalf & Eddy to be our consultants.

Meetings have been held with the consultant and representatives of all the other town departments and it was the consensus of this group that the Town needs a master plan and should take advantage of the Federal funds that are available for this work under the 701 Federal Assistance Program. Under this program the Town stands only one-third of the cost of the program.

The scope of work included in the proposed master plan will include the following:

1. Area influence study containing a report and survey, which will be incorporated in our master plan, on special planning and development problems in surrounding areas that might affect or be affected by our master plan.

2. Inventory surveys including base maps, existing land use, physical features, housing, population, economic base, financial impact, industrial site evaluation, industrial and commercial land needs, and alternate future land use plans.

3. Long Range Development Goals and Planning Standards. This would include long-range community policies, design schemes and development standards.
4. Circulation Facilities Studies and Plans including street and highways, traffic impact and parking and loading facilities.
5. Community Facilities Studies and Plans. Would include schools, recreation, conservation and public land and buildings.
6. Public Utilities Studies and Plans including water, sewerage and refuse.
7. Future Land Use Plan.
8. Effectuation Program. This would include the preparation of a new zoning map, zoning by-laws, subdivision rules and regulations and building by-laws. Also a Capital Improvement program and a recommended possible means of improving the tax base.
9. Special Projects would include the following:
    Economic Development Program.
    Lot Size — relationship of lot size, soil suitability and construction of utilities and facilites.
    Neighborhood Analyses (A Federal Requirement)
    Coordination - analysis of problems and needs of individual planning districts in the Town.
    Business District and Renewal Plan.

Your Planning Board and other representatives of town departments feel strongly that a Master Plan is needed by the Town. Public meetings will be held prior to town meeting to acquaint the voters with the value of a master plan, and it is the sincere conviction of this Board that those who attend these meetings will realize that Easton really needs the services of professional consultants to aid in the future development of the Town and to correct our many planning and zoning problems.

Respectfully submitted,

LAWRENCE J. HURLEY, Co-Chairman
WALLACE S. GILMORE, Co-Chairman
AVERY L. WILLIAMS, Clerk
EDGAR A. CRAIG
NORMAN J. POITRAS

REPORT OF THE CONSERVATION COMMISSION

To the Selectmen of Easton:

In the fourth year of work for the Easton Conservation Commission, the group is actively pursuing its aims of preserving and the sensible use of Easton's natural resources. The members of the Commission wish to thank all town departments which have worked with us on mutual problems and plans. The support of our fellow citizens in our conservation programs has been appreciated and makes all citizens of Easton realize the "grass roots" support for preserving the Town's clean water and open spaces for future generations.

Mr. Wallace Gilmore gave the Town approximately four acres of wetland on Red Mill Rd. for conservation purposes. Mrs. Elise Parker gave a tract of land known as the Picker Field which adjoins the Town pool. This land is to be used for conservation purposes. Quantities of water are found on both these tracts of land which are important for water shed protection and can be used for recreation also.

The Town Forest Committee, Charles Willis, chairman, and Allen Watts, supervised the planting of 2,500 evergreens in the Town Forest. Most of the work was done by Boy Scout Troop #54, David Rhodin and David Williams as leaders, and the Auxiliary Fire Department, under the direction of Donald Winship, gave aid in watering the seedlings during the dry summer. The Highway Department and the Tree Department gave the Committee invaluable assistance also. The forest has been completely surveyed according to Land Court specifications and the bounding of the area should soon be completed. Fire lanes are also being constructed surrounding the forest.

We wish to mention the help of Boy Scout Troop #76, Mr. Earl Anderson leader, and Mr. Philip Wilde in cleaning the litter out of town land at Long Pond.

The Commission is continuing its education program with a number of speaking engagements at local clubs and at Boy Scout meetings. A projector and screen have been purchased for education purposes.

Seminars and conservation programs have been attended by members in Foxboro, Wrentham, Chicopee, Sturbridge, Wollaston, Auburn, and Segragansett. Mr. Watts enrolled in a 16 week conservation course at Bridgewater State Teacher's College.

The Commission will continue to attempt to acquire land for open spaces as we feel available land is fast dwindling. The next few years will be a crucial time in setting aside areas for recreation and watershed protection. The Commission feels the greatest need for public land is now in the southern section of Town where very little public land is located.

CHARLES WILLIS, Chairman
ELIZABETH AMES
ALICE McCARTHY
CLIFFORD GRANT
JOHN FRIETAS
ALLEN WATTS
Town Forest Committee

REPORT OF THE INSPECTOR OF ANIMALS

To the Selectmen of Easton:

I herewith submit my report for the year ending December 31, 1965.

During the year the inspection of all dairy cattle was made and conditions and cleanliness of the premises where they were kept.

Twenty six cases of dog bites were quarantined for ten days.

During the year 3826 dairy cattle were shipped into the Town of Easton from out of state. These cattle were inspected and ear tag numbers were sent to the Department of Livestock Disease Control.

The inspection of 428 dairy cattle, 45 swine, 20 sheep and 68 horses was made.

Respectfully submitted,

J. CLINTON GOWARD
Inspector of Animals

REPORT OF THE SEALER OF WEIGHTS AND MEASURES

To the Selectmen of Easton:

I herewith submit my report as Sealer of Weights & Measures for the year ending December 31, 1965.

This department has completed the following work. It has inspected, adjusted where necessary, and sealed the following devices:

Inspections

Scales	A	S	NS	C
Platform over 10,000 lbs.			4	
Platform 100 to 5,000 lbs.	3	10		
Counter 100 lbs. or over	1	5		
Counter under 100 lbs.		1		
Beam 100 lbs. or over		1		
Beam under 100 lbs.		2		
Spring 100 lbs. or over	1	8		
Spring under 100 lbs.	4	13		
Computing under 100 lbs.	5	20		1
Personal weighing	3	3		1
Prescription		3		1
Weights				
Avoirdupois		51		
Apothecary troy		41		
Metric		46		
Automatic Measuring Devices				
Gasoline Pump Meters	19	44		
Tank & Truck Meters (oil trucks)	4	12		
Oil Measuring Pumps		1		
Grease Measuring Devices		12	1	2
	—	—	—	—
Totals	40	273	5	4

A—Adjusted
S—Sealed
NS—Not Sealed
C—Condemned

Complaints received and investigated	8
Applications for Peddlers License	6
Oil Trucks Inspected and checked for Meter Reading and Seal	21

Trial Weighing of Commodities Sold or Put Up for Sale

Total Re-weighed	600
Number Correct	522
Number Incorrect	78

As of this report I have not tested four heavy platform scales over 10,000 lbs. I have been waiting the arrival of the state unit which is equipped with heavy weights required in testing of these scales.

This department has filed its Annual Report with Mr. Donald Falvey, Director of the Division of Standards, Commonwealth of Massachusetts, State House, Boston, Massachusetts.

Receipts

Fees collected and paid to Town Treasurer	$278.05
Reimbursement to Town Treasurer from the Commonwealth of Mass. for Peddlers License	32.00
	$310.05

Respectfully submitted,
CARL W. HANSON
Sealer of Weights & Measures

REPORT OF THE RECREATION DEPARTMENT

The Easton Recreation Commission respectfully submits the following report for the year 1965:

This past year has seen many changes take place at the Town Pool. The original dock was lengthened and a second dock constructed.

The addition of a diving board was greatly received by the teen-agers and adults who use the pool.

A new cement apron was installed on the south side of the pool and the final apron is planned for 1966.

Over 600 children participated in the Red Cross swimming program and for the fifth consecutive year there were no serious accidents or injuries.

We are pleased to report that the bacteria tests, taken regularly by a State authorized firm, showed the water to be as pure, if not purer, than drinking water.

The Commission would like to thank the personnel who worked at the pool and also the many town officials and town departments who helped to make it such a successful year.

Respectfully submitted,

ARTHUR S. CAMBER, Chairman
DOROTHY M. CONCEISON, Sect.
THERESA WANCUS
PAUL TROMBLY
PHILBROOK MASON

REPORT OF THE BUILDING - ZONING INSPECTOR

Year Ending December 31, 1965

To the Board of Selectmen:

I respectfully submit my report as Building, Zoning Inspector.

	No. Permits	Estimated Cost
New Dwellings	54	$810,450.00
Repairs & Additions	62	168,113.00
Commercial Repairs & Additions	8	27,000.00
Pools	6	11,500.00
Golf Course	1	50,000.00
School Addition	1	289,000.00
School, New	1	2,500,000.00
Demolishing	3	
Trailors	4	
Zoning	6	
Total	145	$3,856,063.00
Total Fees		$2,760.10

Very Truly Yours,

ALEXANDER J. PUSSELER
Building, Zoning Inspector
For The Town of Easton

POLICE-FIRE HOUSING STUDY COMMITTEE

This Committee was appointed by the Moderator as the result of the favorable vote given Article 17 of the 1965 Town Meeting and held its first meeting on June 24, 1965 and regularly thereafter.

The need for new police and fire stations was obvious, so the first step was to determine whether they be separate or consolidated. The Police Chief felt that they should be separate with his station located along a major highway such as Route 138. The Fire Chief had no preference only that there be sufficient area for his needs. The Committee voted four to one in favor of a combined station, feeling that considerable savings could be effected in construction costs and that a combined station would give twenty-four hour telephone coverage, lack of which under the present setup has been a source of irritation to residents calling and receiving no direct answer from the police as the result of being on patrol or other duty. Under the combined setup there would be a fireman on duty at all times who would answer the police telephone in their absence and contact them directly by radio if necessary. It was also felt that the overall efficiency of the two departments would be improved inasmuch as they frequently work in conjunction with each other in emergency situations.

Choice of location was the next step which was made difficult by the lack of suitable available land. The site of the present Town Garage was selected because it was the most central geographically to serve the area covered by the North Easton Station, was town owned, would require little site development and would consolidate all departments in one location. We would have preferred a site with larger frontage, but it is more than adequate to accommodate the building we are recommending, and, if future needs should require, adjoining land could be taken by eminent domain. It has been mentioned that it would take call firemen longer to reach this facility than the present station, which might be true in some cases but not so in others. In addition the future will probably see a permanent fire department not so dependent upon call men. The fact that Center Street is a busy one traffic wise does not make it much different from any other main artery in town, and the on and off-street parking available here is greater than at other locations considered. In addition, this location is most adjacent to the High, Parkview and Center Schools, where we have a large investment. Having the Police Department here would possibly eliminate the vandalism occurring at the Town Garage.

We next interviewed architectural firms and selected Alger and Gunn of Hyannis because of their previous broad experience in building police and fire stations and because their estimated per foot construction costs were several dollars lower than others under consideration. We requested and received space requirements from the police and fire chiefs which were discussed thoroughly with the architects during the course of drawing up preliminary plans. The basic building will be of cement block construction with painted interiors which has proven practical in school construction and eliminates expensive interior paneling. The outside will have a decorative brick front. The building itself is 80′ deep and 84′ wide. Fifty-six feet of the width is for fire apparatus use with the remaining 28 ft. being used for administrative purposes for police and fire. The apparatus space is on ground level, but the administrative space is split level with the police areas on the lower level and the fire and combined meeting, locker and shower rooms on the upper level. The police and fire departments have separate entrances at the front and side of the administrative area, and the police also have an entrance off the fire apparatus area where they have inside parking for two vehicles.

We have not eliminated any of the essential space requirements of either department, but have deleted some of their original requests as being unnecessary. These include a women's detention room with accompanying matron's room and a pistol range for the Police Department. However, there is a juvenile detention room which can temporarily house females.

Substantial savings were also effected by combining meeting, recreational and kitchen facilities as well as shower and locker rooms which receive limited use. We realize it would be nice to have extra large meeting rooms to accommodate social gatherings, area meetings, etc., but feel that there are many other areas available in the town for these functions. It should be mentioned that the fire apparatus space in this plan is considerably larger than what the Chief had settled for in the previous plan, and is more than enough to accommodate all of his present equipment in addition to two units he would like to acquire in the future.

The cost estimate as presented on February 8, 1966, is $189,000.00 broken down as follows:

1.	Building Construction	$143,500.00
2.	Site Development	3,000.00
3.	Storm and Sanitary Sewerage	8,000.00
4.	Architectural & Engineering Fees	13,000.00

5. Communications & Furnishings	15,000.00
6. Contingencies	6,500.00

If this project is approved by Town Meeting, we would recommend that it be financed with a fifteen year bond issue which would cost the town approximately $13,300.00 annually for principal and $7,000 interest for the first year and in decreasing amounts thereafter.

In conclusion, there is no doubt that new facilities are needed now, and we feel that this proposal will more than take care of the town's needs for at least the life of the bond issue. We have saved some $73,000 under the previous proposal and feel that postponement of this project would dissipate this along with reducing the efficiency of both departments

This study was accomplished though the personal sacrifice of many hours of valuable time and effort by the Committee Members, and, as Chairman, I wish to extend my profound thanks and appreciation to all of them.

RICHARD J. KENT, Chairman & Clerk
ALEXANDER J. PIRES
JOHN F. DOWNEY
KENNETH F. HURLEY
JOHN E. MEADE

REPORT OF THE CIVIL DEFENSE DIRECTOR

To the Citizens of Easton:

This Department has attempted to keep up with State and National Civil Defense activities through communications with our Sector Office in Hanson via radio, telephone and personal contact. We have also attempted to cooperate and participate in all the exercises conducted by the State and Federal authorities. This year, there were no exercises involving public participation. However, there were several "paper" exercises where the Civil Defense Staff was alerted and numerous forms were completed indicating our readiness for an enemy attack with emphasis on fallout protection. The Federal Government again conducted a survey to determine whether any public buildings could be modified to conform to minimum standards required for public fallout shelters, but to no avail.

The most serious incident in which this Department was involved during the year was the "Blackout" in November. The Civil Defense Communications Center was in operation using emergency power from our lighting truck within ten minutes after the lights went out and liason was established with the Fire and Police Departments as well as the State Civil Defense network. As soon as the emergency generator at the Highway Department was activated, the lighting truck was dispatched to the South Easton Fire Station and the trailer mounted generator was on stand-by at Civil Defense Headquarters if needed. Fortunately, regular power was restored before any crisis developed.

Our two thousand gallon tanker was put in service early in the summer and was used extensively at the Mountain Road forest fire. During the course of the fire, it delivered over 80,000 gallons of water to the firefighters at the top from hydrants on Bay Road in Easton and Massapoag Avenue in Sharon. The tanker also carried water to the Town Forest when the Conservation Commission had its spring planting of trees.

The Auxiliary Police were on duty as usual for all the annual events in Town, as well as emergency details such as fires, accidents, and searches for lost persons. They attended regional meetings with Auxiliary Police officers from surrounding towns as part of their training program. Lectures and demonstrations were presented by various experts from State Law Enforcement agencies at the meetings attended by the auxiliary members.

In closing, I wish to thank those who in any way assisted this Department in its activities. I would also like to thank those who willingly gave of their time and talent to promote a better Civil Defense in Easton.

Respectfully submitted,

DONALD S. WINSHIP, JR.
Director of Civil Defense

REPORT OF THE POLICE DEPARTMENT FOR 1965

To the Honorable Board of Selectmen:

I herewith submit the report of the Police Department of the Town of Easton for the year ending December 31, 1965.

ARRESTS

Total	19	1
TOTAL ARRESTS	210	7

The continuous increase in police activities during the past year proved to be no exception but I am most pleased to report a decided decrease in our juvenile arrests.

Officer George Blood attended the police officers training school for a period of four weeks and upon graduation became the town's safety officer, replacing Officer George Randall, whose resignation was accepted with sincere regret after serving the town for many years in that capacity.

To the many citizens that commended the department and its officers for assistance rendered during the past year, we extend our sincere thanks.

The various town departments and agencies have, as always, been most cooperative in assisting your police department to function properly for which we extend our appreciationship.

The Civilian Defense and its director, Donald Winship, have on numerous occasions been of most valuable assistance which was greatly appreciated.

In closing, my personal thanks are extended to each officer on the department for their splendid cooperation during the past year.

Respectfully submitted,

JOEL A. JOHNSON
Chief of Police

EASTON FIRE DEPARTMENT

To the Honorable Board of Selectmen:

I herewith submit the report of the Fire Department of the Town of Easton for the year ending December 31, 1965.

Total number of Calls	301
Total number of Alarms	250
Total number of Still Alarms	51
Grass, Brush and Rubbish Fires	131
Building Fires	17
Resuscitators	20
Oil Burners	12
False and Unnecessary	25
Smoke Investigations	5
Oven Fires	3
Wash Gas from Highway	2
Chimney Fires	6
Televisions	2
Accidents	7
Bomb Scare	1
Electrical Trouble	7
Assist Persons	2
Sprinkler Alarms	4
Tar Kettle	1
Fire Scares	12
Lost Persons	2
Rescue Dogs	1
Washing Machine Fires	2
Use of Boat for Police	1
Rubbish Trucks	1
Motor Vehicles	14
House Trailers	1
Gas Leaks	1
Rescue Persons	1
Lawn Mower Fires	1
Broken Water Pipes	1
Dish Washers	1
Mattress Fires	1
Lock outs	1
Gas Heaters	1
Out of Town Aid	14
Permits Issued:	
Open Air Fire Permits	1223
Storage of Fuel Oil	46

Use of Explosives	2
Complaints Investigated	45
Days in District Court	1

The Department has had a very active year due to the drought. The losses again have been kept at a minimum.

Apparatus:

1—1958	International triple combination pumping engine, in good condition.
1—1956	Mack triple combination pumping engine, in good condition.
1—1956	Ford Combination, in good running condition, tires need to be replaced.
1—1951	Ford Combination, in good running condition.
1—1950	Ford Combination, in running condition, needs a new booster tank and some body work. When the new Truck, which was voted at the annual Town Meeting in March is put in service, this truck will then be transferred to the North Easton Fire Station, where there has been a truck short for the past five years.
1—1935	Ford Brush Fire Truck, in running condition. Due to the year, this truck has mechanical brakes and the old fashion front end (wishbone type) which makes it a difficult truck to drive. The committee, voted at the annual Town Meeting to study the equipment needs of the Fire Department, have inserted an article in the annual Town Warrant for a replacement of this truck.
1—1931	Ladder Truck, in running condition. This truck should be replaced as soon as housing facilities are available.
1—1931	Mack reserve pumper, in running condition. Used for C.D. training.
1—1959	Ford Pick-Up Truck, fire alarm and service truck, in running condition.
1—1964	Chevrolet Station, in running condition, should be replaced. There is a great need for an emergency truck, also a fire alarm truck, but there is no housing facilities available.

North Easton Station No. 1

Action must be taken this coming year for a new and larger station. The need for more space especially for a ladder truck of which the Town is in dire need of. This station needs plumbing and electrical repairs. The outside needs to be painted, The interior has been improved by the permanent men on duty.

South Easton Station No. 2

New toilet facilities have been installed, inside being painted. With the repairs to the windows, this station will be in good condition. The Stucco on the front of the building should be replaced with a stone or brick facing in the future.

Easton Furnace Station No. 3

This Station is in good condition. Town water was installed this past year, with the necessary changes being made.

Fire Alarm

With the grounds eliminated and most of the system having been trimmed, the system is in very good condition. A direct circuit has been installed from the fire station to Depot Street, this makes a complete circuit just for the Furnace District. New alarm boxes have been installed at Depot and Drake Streets, Short and Central Streets and at Short Street and Lyman Wheelock Road. This coming year the alarm system is to be extended on Turnpike Street to Foundry Street to the New Regional Vocational Technical School.

With most of the call men being employed out of town during the day, the average response during the day on an alarm at the North Easton Station is about six members, at South Easton Station four or five, the Furnace Station four. The underwriters require a least ten members and an officer from each Station. To alleviate these conditions we must have permanent men. I again have requested an article in the Town Warrant for three permanent men. This will give the Town three more men available for calls during the day.

Drills have been held bi-monthly by the three companies during the daylight saving time. Three company meetings have been held monthly during the winter and fire training films shown. Five members attended a training seminar held at West Bridgewater last May sponsored by the Department of Education with the help of the Massachusetts Drill Instructors. There is a seminar to be held in Attleboro next May, and one in Fairhaven in September, which members of the department will attend.

I attended the New England Association of Fire Chief's conference at Portsmouth, New Hampshire, the New England

Association of Fire Marshalls meeting at Chicopee, Mass., and fire prevention meetings throughout the State.

Fire Prevention Week was observed October 5, 1965. Inspection of all schools and fire drills were held at each school under my supervision and with the assistance of Deputy Chief Robert Mitchell and John Melin. All business establishments, public buildings, nursing homes and Schools were inspected every three months.

I wish to thank the Board of Selectmen and all other town departments and their members for their kind assistance given this Department during the year.

Respectfully submitted,
RAYMOND M. BUCK
Chief

REPORT OF THE COMMITTEE APPOINTED FOR THE STUDY OF NEEDS OF FIRE DEPARTMENT

After a two year study the following item was purchased as authorized by Article Eighteen of the Warrant for the Annual Town Meeting of March 15, 1965:

One (1)—Combination Truck from Mack Trucks, Inc.

Additional items which are needed by the department are as follows:

One—(1)—New unit to replace the 1935 Ford which is used for Forest Fire work.

One—(1)—Emergency-Rescue Truck together with the necessary equipment.

One—(1)—Utility Truck for the use of Fire Alarm maintenance.

The Town is in dire need of an Aerial ladder unit, when housing facilities are available.

We recommend further use of "Plextron" units, which will more readily alert key personnel of the department throughout the Town.

It is suggested that a Committee be appointed to continue this study.

HARRY J. D. SUNDELL, Chairman
FRANK J. REYNOLDS
GEORGE H. DeWITT
WILLIAM F. LARDAN
RAYMOND M. BUCK

REPORT OF THE INSPECTOR OF WIRES

To the Honorable Board of Selectmen
Town of Easton, Massachusetts

I hereby submit my report for the year of 1965:

Edison Permits	264	Add Meters	40
Services, New and Changed	167	Oil Burners	16
		Add Outlets	38
Elec. Water Heaters	54	Not Accepted	6
Electric Dryers	74	Temp. Const. Services	21
Electric Ranges	19	Finals	8
Rough Wires	86	Fire Calls	10
Locked Premises	6		

All inspections were made on the basis of the latest editions of the Electrical Codes with no special rules.

Again at this time I wish to express my thanks to the Honorable Board of Selectmen and the Town Clerk's Office for the valuable assistance in the issuing of permits and aid to this office. Also to the townspeople of Easton for their co-operation with this Department.

Respectfully submitted,

ALBERT F. GREINER
Inspector of Wires

REPORT OF THE OLIVER AMES HIGH SCHOOL BUILDING COMMITTEE

Your committee is pleased to submit its final report on the High School Addition project. The financial statement, prepared by Mr. Thomas J. Canan is as follows:

OLIVER AMES HIGH SCHOOL BUILDING ADDITION

Cost of All Areas (As Classified)

S.B.A.C.—Project—No. 968-S.F.

Classification	Code No.			
General Construction, Sewage, Site Development, etc.	AA		$752,156.91	
Alterations—(a/c Addition)	HH		7,411.53	
				$759,568.44
Site Clearance (Preliminary)	BB			17,422.50
Equipment, Furniture, etc.	CC			94,244.16
Architects, Fees, Engineering	DD			57,420.25
Clerk of Works	EE			8,333.98
Misc.—Advertising	FF	$322.00		
Telephone	FF	332.06		
Expressage	FF	18.65		
			$672.71	
Testing	GG	220.00		
Insurance	GG	480.00		
			700.00	
				1,372.71
Total-cost-of-Project				$938,362.04
Appropriation (Bond Issue)			$940,000.00	
			938,362.04	
			$ 1,637.96—Balance	

The committee is deeply grateful to Mr. Hallowell and Mr. Preuss for their invaluable assistance. We also appreciate the work done by members of the faculty and staff and the cooperation given by all Town Officials.

Respectfully submitted,
ROGER A. McNAMARA, Chairman
MRS. MARY C. SCULLY, Clerk
THOMAS J. CANAN, V. C. and Fin. Sec'y.
RAYMOND BERGERON
MRS. MAE BROOKS
S. CHARLES BRUGNETTI
RICHARD CHASE
MRS. MARILYN COPELAND
MRS. BARBARA GRAY, M.D.

REPORT OF THE REGISTRAR OF VOTERS

For the Year 1965

Various meetings of the Board were held for registration of voters.

At the close of registration on February 23, 1965 the number of registered voters was as follows:

	Women	Men	Total
Precinct One	474	458	932
Precinct Two	1401	1324	2725
Precinct Three	760	716	1476
Totals	2635	2498	5133

All nomination papers were checked and approved at various meetings.

Respectfully submitted,
MICHAEL J. CANTY, Chairman
JOSEPH E. GALVIN
ALBERT F. FLEURY
ESTHER C. ANDERSON
Registrars of Voters

BRISTOL COUNTY MOSQUITO CONTROL PROJECT

EASTON, MASS.

On June 30, 1966 the Bristol County Mosquito Control Project will have completed its seventh year of serving Easton in a year round effort to reduce the mosquito annoyance to its residents and guests. The past year has presented a number of events that should be of interest to all Cities and Towns enrolled in this program.

(1) A Pesticide Board recently formed makes it mandatory that all persons spraying or applying pesticides to the land of another shall be licensed. We have complied with this and at least one licensed person is present whenever insecticides are being applied by this Project.

(2) The rules and regulations of this Board are adhered to and all recommendations as to the type and use of pesticides are followed in the public as well as wildlife interests.

(3) In 1965 the need for a cooperative mosquito control program became more evident with the inception of the Essex County Mosquito Control Project located in Beverly, Mass. A total of eight projects are now engaged in the effort to make the areas of everyday living and the abundance of recreational areas in their respective Counties more enjoyable to its residents, and of greater importance, participating in the public health program against Encephalitis (sleeping sickness). The latter is being done through the medium of the Encephalitis Field Station now located at the Lakeville State Hospital. In cooperating with this station we are able to keep well informed on the developments and influx of the mosquito known to transmit this disease.

(4) Until July 12, 1965, the Bristol County Mosquito Control Project was under the direction of Mr. Robert W. Spencer. He has been appointed Superintendent of the newly formed Essex County Project located in Beverly, Mass. At this writing I (Frank W. Dillingham) am acting Superintendent having been appointed by the Bristol County Mosquito Control Commission. I have been with the project since its organization in 1959 and since 1960 have held the position as foreman.

During the past year in Easton many steps were taken both in emergency and permanent measures to reduce the mosquito population.

The early fall found our crews engaged in our brook and ditch maintenance program and 2775 feet were cleared of debris and brush removed from the banks of these and others to prevent further blockage.

When the winter months presented the opportunity, ice covered breeding areas were dusted with insecticide and 110 acres were treated in this manner. To supplement this program areas found to be breeding upon inspection were treated with #2 fuel oil in the early spring.

The summer months as always presented our greatest problem and a residual spray of insecticide was applied to the foliage by our trucks in sections that were most troublesome, and whenever a request for service was received it was complied with as soon as possible.

All storm-sewer catch basins containing water were treated periodically to control a continual summer breeding source.

The Project tractor-trencher was instrumental in the reclaiming of 4440 feet of ditch to allow free flowage of water from areas that presented mosquito breeding problems.

We ask any resident who has a particular problem concerning mosquito control to contact the Mosquito Project and help make the coming year a successful one.

Respectfully submitted,

FRANK W. DILLINGHAM
Acting Superintendent

Report of the Town Accountant

To the Selectmen of Easton:

I respectfully submit my fourth annual report covering the detail Departmental expenditures for the Town of Easton for the year ending December 31, 1965.

RODERICK C. ANDERSON

TOWN CLERK'S REPORT

BIRTHS REGISTERED IN EASTON IN 1965

Date	Name of Child	Parents' Names (Maiden Name of Mother)
1964		
June:		
22	Frances Ann Pierce	Benoni H. and Virginia Ann Moody
September:		
30	Kevin Lee Williams	Avery and Elizabeth Cavanagh
November:		
6	Edward Clement Boudreau, III	Edward C., Jr. and Catherine M. O'Leary
22	Mary Catherine Chojnacki	Walter and Anne T. Harvey
24	Garnet Paul Hickey	Garnet P. and Marjorie C. Murphy
28	Candace Jean Cherry	Lawrence D. and Jean R. Fogg
December:		
1	Jamie Francis Moore	George F., III and Sandra L. Chase
3	Robert Allen Daly	Raymond F. and Helen B. Botsch
3	Sandra Louise Goodman	Patrick A. and Mary L. Boucher
4	Brad Christopher Mello	John and Audrey J. O'Neil
7	Kevin Francis Maliff	Robert F. and Pauline L. Charron
9	Timothy Richard Lundin	Carl W. and Linda A. Ford
10	John Charles Sherman	Ralph E. and Gladys D. McWade
10	Patricia Lynn Cogswell	John N. and Barbara L. Bailey
12	Donald Ray Lincoln	Alfred T., Jr. and Jean L. Hutchinson
13	Beverly Addison Lewis	Arthur F. and Priscilla R. Pierce
13	Russell Edward Thomas	James D. and Joan C. Flint
14	John Joseph Devine	Joseph V., Jr. and Joyce B. Nelson
18	Penny Sue Parenteau	Raymond N. and Helen C. Black
22	Nelson Christopher Holmes	Lester W. and Barbara A. Harper
22	Wayne Phillip Southworth, Jr.	Wayne P. and Cheryl A. Hutchinson
24	Lloyd Henry Leonard, Jr.	Lloyd H. and Nancy E. Brown
30	Charlene Ann Owen	Richard N. and Patricia A. Regan
1965		
January:		
6	Lisa Marie LaRosee	Raymond E. and Rose M. Slavitz
8	Michael Robert Baker	Richard E. and Donna M. MacKenzie
10	Michael Alwin Keegan	Raymond F. and Vivian E. Haynes
14	Heidi Marie Bonanno	Ernest A. and Fulvia DeLeon
16	Charles Alan Copeland	George L. and Marilyn E. Boulette
17	Kenneth Bruce Berry	Eugene L. and Alice Louise Alden
18	Paul Linus Cummings, Jr.	Paul L. and Dolores A. Perdigao
19	Theodore Paul Fleming	Robert N. and Roberta M. Holmes
19	Alan Eric Urolatis	Albin A. and Barbara M. Frazier
19	Mary Margaret Puleio	Robert J. and Mary E. Watson
20	Timothy Fox	Stephen E. and Frances P. Sheehan
21	Russell Adam Simpson	Richard M. and Catherine C. Webber
21	Gary Lee Chubbuck	Melvin W., Jr. and Lois I. Taylor
22	Christopher Robert Donaghue	Thomas and Joan Redmond

Date	Name of Child	Parents' Names (Maiden Name of Mother)
February:		
3	Robert Leo Brennan, Jr.	Robert L., Sr. and Elizabeth Estey
6	Elaine Katherine Orcutt	Bernard R. and Corinne A. Oliver
7	Linda Jean Acheson	Robert G. and Lucille M. Governor
10	Glen Douglas Urquhart	Earl R. and Jeanne G. Griffin
12	Pamela Ann Rollinson	Frederick and Nancy Bowne
12	Gayla Ellen Wark	Richard W. and Anita M. Tousignant
15	Debra Marie Gomes	David G. and Rose M. Arushan
19	.... Clark	Richard F. and Barbara A. Zoppa
20	John Delbert Siscoe, Jr.	John D. and Frances L. Waddell
21	David Alan Carr	Joseph E. and Joan E. Lynch
23	David Joseph Johnson	Nicholas J. and Rosalie J. Macchiarola
25	Julie Anne McIver	James D. and Catherine F. Fitzgibbon
28	Wendy Anne Dolloff	Daniel C. and Jane E. Burwood
28	Lisa Lyons Verdi	William V. and Priscilla A. Lyons
28	.... Walsh	Michael J. and Doris M. Dunn
28	Janet Martha Russell	Walter E. and Margaret A. Lewis
March:		
5	David Andrew Wolffe	William F. and Teresa H. Martin
6	Valerie Krista Young	Roy L., Jr. and Renetta E. C. Lange
9	Sheryl Lee Anne Blye	Phillip B. and Eleanor E. Farley
9	Lisa Ann Melin	John D. and Beverly A. Burrill
11	Donna Ann Ryan	Richard H. and Paula de la Feuillez
12	David Arthur Kane	Thomas M. and Waltraud Langen
16	Karen Lee Williams	Alden T. and Jean E. Gay
16	Kristine Anne Williams	Alden T. and Jean E. Gay
20	Carol Marie Osiecki	Emil J. and Rose E. Miller
24	Patricia Jean Pope	William P., Jr. and Ann M. Lauinger
24	Catherine Louise Lowell	Paul V., Jr. and Edith M. Green
24	Elizabeth Ann Rollins	Royal H., III and Annette E. Ando
27	Margaret Mary Lewis	John P. and Dorothea K. Williams
April:		
9	Tara Elizabeth Mooney	Arlen J. and Sylvia E. Reed
9	Hans Edward Waguespack	Paul E., Jr. and Alice L. Legro
13	Christine Martha Roney	Bobbie L. and Frances J. Chaves
16	Kathleen Elizabeth Griffiths	William E. and Patricia A. Donaghue
19	Daniel Paul Phillips	Alan R. and Barbara A. Benham
25	SuzAnne Gertrude Saunders	Herbert C., III and Donna P. Dewey
26	Donna Lee Peel	Donald L. and Brenda G. Hill
26	Joanne Marie Demling	John M. and Jane G. Robak
28	Elizabeth Anne Will	Alexander A. and Sandra K. Hill
29	Kenneth Scott Walton	Judson C. and Catherine A. Hansen
29	David Francis Moynihan	John J., Jr. and Millicent A. Boyle
	[redacted]	
May:		
2	Erik Anthony Cannon	Edward M. and Winfreta D. McCready
4	Linda Sue DeYoung	Simon, III and Suzanne Hill
4	Mark Thomas Camber	Arthur S. and Joan M. Murphy
4	Matthew Richard Camber	Arthur S. and Joan M. Murphy
5	Stephen Michael Gelson	Adolph J. and Nancy C. Elsmore
5	Heidi Lee Harlfinger	Charles E. and Linda A. McKelligan
6	Sean Chadwick Daly	Kevin R. and Elizabeth A. Chadwick

Date	Name of Child	Parents' Names (Maiden Name of Mother)
May:		
11	Mary Elizabeth Blye	Donald A. and Joan S. Irwin

ONE HUNDRED AND THIRTY-EIGHTH

ANNUAL REPORT

of the

SCHOOL COMMITTEE

and the Eightieth from the office of the

SUPERINTENDENT OF SCHOOLS

of the

TOWN OF EASTON

MASSACHUSETTS

1725

For the year ending December 31, 1965

REPORT OF THE SCHOOL COMMITTEE
FOR 1965

To the Citizens of Easton:

The School Committee submits the following annual report for the year 1965, the one hundred and thirty-eighth annual report made by an Easton School Committee. During 1965 your committee held nineteen formal meetings. The Superintendent of Schools, Mr. Philip M. Hallowell, has acted as committee secretary. Your committee has attempted to keep well informed on all school activities by visits, reports of school personnel and through contact with school people throughout the year. Our meetings have all been open to the public and we have been visited by parents, town officials, and other interested citizens whose advice and suggestions have proven valuable. The year 1965 has been an active one in the Easton school system. We are confident that our Easton school system has performed well during the past year.

At the end of his term Mr. Harold Holmes, who had served on the school committee for a period of seven years, retired. Mr. Holmes was first appointed to the school committee in 1958 and was subsequently elected in 1959 and again in 1962. Mr. Holmes was a faithful and dedicated member of the committee, and we feel the community was served well by him during his seven years as a member of this group. Mr. Holmes was replaced on our school committee by Dr. Goodwill Stewart. Dr. Stewart is a practicing physician who lives with his family at 497 Depot Street, South Easton, and brings to the school committee many new ideas.

RETIREMENTS

In June 1965 Miss Johanna G. McFadden announced her decision to retire. Miss McFadden first came to Easton as a teacher in 1922. In 1933 she was appointed principal of the North Easton Grammar School, a post which she held with pride until her retirement.

Mrs. Florence O'Leary, Principal of the South District, announced her decision to retire. Mrs. O'Leary has served the

Easton schools as a teacher beginning in 1949, later as teaching principal at the Eastondale School and finally as supervising principal in the South Elementary District. Mrs. O'Leary was dedicated to the children of her district and we feel the entire community extends its warmest wishes for a happy retirement.

Miss Catherine Dineen, teacher at the North Easton Grammar School, and Mrs. Helen Gay, Speech Therapist, also retired at the conclusion of the school year. We also want to wish them much happiness in their retirement.

Mr. Edgar Watts, who joined the school department as a maintenance man in 1957, reached retirement age and decided that he too would retire. Mr. Watts was dedicated to his duties and we hope that his retirement will be a pleasant one.

APPOINTMENTS

The appointment of supervising principal of the north district has been filled by a teacher well known in the community, Mrs. Olive Gurney. Mrs. Gurney, a life long resident of Easton, began her teaching career in 1925 in Rehoboth. She later taught in the Town of Dighton and returned to Easton in 1944. Mrs. Gurney attended the State College in Bridgewater where she received the bachelor's degree in 1954 and the master of education degree in 1955. We know that Mrs. Gurney will continue the high standards and excellent relationship that have existed in the past.

The position of supervising principal in the south elementary district was filled by Mr. Neil Mosman. Mr. Mosman prior to coming to Easton, was a supervising principal in the Town of Westboro. Mr. Mosman received his bachelor's degree from the University of Massachusetts in 1957 and his master's degree from Worcester State Teachers' College in 1960. Mr. Mosman brings to Easton a wide background of elementary experience.

We are confident that both north and the south elementary districts will continue to perform well under the leadership of these newly appointed supervising principals.

CENTER SCHOOL

At the 1965 town meeting a decision was made to add eight rooms to the Center School. At the time of this report this project is well under way and all indications are that this addition will be ready for occupancy in September, 1966. When completed the Center School will be a sixteen classroom unit which will make it more efficient from an operational standpoint. For a detailed report on this project I call your attention to the report of the Center School Building Committee found elsewhere in this town report.

The 1965 town meeting also appointed a new study committee which, at the present time, is engaged in a further study of the needs of school housing in Easton. We look forward to their report at some future date.

With the completion of the Center School our school housing problems will be resolved for the immediate future. Unfortunately, it will be only a matter of a few years before our ever expanding school population will create a new demand for additional space. Your school committee feels the study of these needs must be a continuing activity.

MAINTENANCE PROJECTS

During the past year several maintenance projects were completed. The brick work at the North Easton Grammar School which is now about 50 years old required considerable repointing. It is hoped that this work can be completed during the course of next year. The wooden portions of the Easton Junior High School were painted and new shower heads installed in the shower rooms of this building. The relighting program started several years ago was continued and new lights were installed at the Furnace Village School and in one room at the Eastondale School. To complete this program it will be necessary to install new lighting at the South Easton School, Unionville School and the balance of the Eastondale School. The question is often asked, "Is it economically prudent to spend money maintaining the South Easton and Unionville Schools?" We feel that as long as these schools are to be used they should be made as attractive and usable as possible. In general, it is our opinion that money saved through reduced maintenance offers only a short term advantage and ultimately results in even more serious demands at some later date.

ACTIVITIES

The 1965 spring conference of the Bristol County Teachers' Association was held in the Town of Easton. This conference was attended by approximately 1300 teachers, principals, and school superintendents. Those who attended appeared to gain a most favorable impression of the town and of our school facilities. such activity inevitably contributes to the professional stature of the Easton school system.

During the past year several of our teachers were involved in National Defense Education Act courses and workshops. Two of these teachers, Miss Tracy and Mr. Ialenti traveled to France during the summer vacation where they participated in a NDEA Language Workship. Others, Mr. Hardin, Miss Troy, Mr. Freitas, and Mr. Muscato, attended workshops in the United States. This federally sponsored program helps the local teacher gain educational experience that might otherwise be far beyond his financial resources.

SCHOOL BUDGET FOR 1966

The school committee has made every effort to utilize fully all available state and federal aid to education for which the Town of Easton may be eligible. Some of the state and federal programs are: Federal Aid for programs in science, language, mathematics, reading, and English. In addition a program is being planned for the economically deprived and we are also applying, along with some of our neighboring towns, for funds to establish an educational resources center.

With the help of state aid we operate two classes for the mentally retarded and a work study class at the Oliver Ames High School. In keeping with school trends in surrounding towns and local industry as well, your school committee voted a 5% increase in salary to all employees beginning September, 1966. When this 5% increase is applied to the teachers' salary schedule it becomes as listed below:

TEACHERS SALARY SCHEDULE

Effective September 1, 1966

Steps For Successful Teaching in Easton

15 years	$100.00
20 years	200.00
25 years	300.00
30 years	500.00

Steps	Bachelors	Masters	Master + 30 hrs.
1	$5,250.00	$5,670.00	$6,090.00
2	5,513.00	5,933.00	6,353.00
3	5,775.00	6,195.00	6,615.00
4	6,195.00	6,615.00	7,035.00
5	6,458.00	6,878.00	7,298.00
6	6,720.00	7,140.00	7,560.00
7	6,983.00	7,403.00	7,823.00
8	7,245.00	7,665.00	8,085.00
9	7,508.00	7,928.00	8,348.00
10	7,770.00	8,190.00	8,610.00
11	8,033.00	8,453.00	8,873.00

The same 5% increase was applied to all employees of the school department, including administration, custodians, secretaries, nurses, and lunchroom employees. The only other adjustment made during the past year which did not appear in last years' town report was a $100.00 increase for all custodians. This increase was granted in payment for the time required to check their building on Sundays and holidays, and cannot be considered a salary increase, but rather payment for duties performed.

EXPENDITURES — 1965

Function		
1100	School Committee Expense	$ 566.04

Budget Summary

1965

A.	Regular Appropriation, March 1965	$1,236,989.79
	Expenditures Oliver Ames Funds	37,014.72
	Expenditures Oakes Ames Funds	8,315.44
	Expenditures Public Law 85-874	40,417.62
	Expenditures Public Law 85-864	7,618.24
		$1,330,355.81
	Unexpended returned to E & D Fund	12,176.21
		$1,318,179.60

1966

B. Appropriation Town Funds	$1,388,606.90
Estimate available Oliver Ames Fund	35,000.00
Unexpended balance Oliver Ames Fund	8,291.64
Public Law 85-874	8,962.67
Public Law 85-864	127.79
Available Oakes Ames Fund	11,241.00
Geo. Barden Fund	356.00
	$1,452,586.00

C. Estimated receipts from other than town funds, 1966:

It is estimated that the following sums will be received by the town on account of its schools during the 1965-66 school year, all of which will go into the general fund of the Town Treasury.

State Tuition and Transportation State Wards	$ 6,905.13
Town of Sharon	4,206.97
State, as reimbursement in part for expenditures for pupil transportation	59,828.00
From the State, as aid to schools, Chap. 70, G.L.	142,019.14
From the State as reimbursement on expenditures for the Mentally Retarded and physically handicapped	12,322.65
From Rental of halls, supplies sold, custodian wages, etc.	1,307.39
Tuition, Evening Practical Arts	114.00
From the State, reimbursement to the extent of half the cost of Vocational Education for the year ending June 30, 1964	5,151.25
Chapter 650, Work Study	2,770.10
	$234,684.63

If the estimated receipts for 1966, as shown above are subtracted from the appropriation as requested for 1966, it will show a net amount of $1,153,922.27. If we divide this by the October 1, 1965 enrollment of 2,850 pupils, we get a pupil cost of $404.88 from local taxation. Part of the budget, September to December, will be spent on a larger enrollment next year which will further reduce the per pupil cost.

Several of the items listed under receipts merit additional explanations; for example, rental of halls, custodian wages, etc. The receipts under this item do not cover the true expense to the town but, this item does illustrate the dual fuction served by many of our school facilities. These school facilities are used by many community organizations during non-school periods such as evenings, afternoons, and weekends. Your committee feels that in this way the community realizes the maximum return on its investment.

CONCLUSION

The Easton Public School system continues to serve its young people well and provide them with the basic education required to help them find their place in our increasingly competitive society. At the present time the Easton Public School system consists of 100 classrooms and other allied areas and, with the completion of the Center School addition, this number will become 108. During 1965 it employed 139 teachers (including principals, supervisors, etc.) a superintendent, nine secretaries, two maintenance men, fifteen custodians, twenty-nine cafeteria workers, a lunchroom manager, two nurses, a dental technician and a part-time physician to serve the needs of 2,850 Easton young people. During 1965 our school system experienced a few minor problems and a number of notable successes. Among the successes were the achievements of some of our high school athletes. The Oliver Ames High School basketball team was successful in winning Class C Eastern Massachusetts Championship. In a National Track Meet held at New York City on February 20, 1965, James Meehan won the National 1000 yard school boy championship, and Robert Cleary placed third in the National high jump championship. This gave our high school national recognition, and we are sure that all members of the community share the pride that the parents of these young people have for their performance.

Several of our students were recipients at the colleges and universities which they are attending. A major portion of the credit for these honors reflects on the outstanding training which these people received in the local school system.

Our Easton Public School system continues to grow. With such rapid growth, unforeseen problems do from time to time appear. If you encounter such problems, please make the proper person aware of them. If this does not result in a solution, please feel free to seek the help of your school committee. Our meetings are always open, and we invite all townspeople to visit with us. We will take action at the next regular meeting on any situation called to our attention by a signed letter.

Our school system and the educational climate in which it operates reflects the attitude of the town toward education. Your school committee wishes to thank its fellow townspeople for the interest, good will and cooperation they have shown during 1965. We would also like to thank all the school personnel for their dedication during the past year. For a more detailed report of other important activities during 1965 we refer you to the individual reports of the Superintendent of Schools, the principal of the Oliver Ames High School, the director of guidance, the principal of the Easton Junior High School and the three supervising elementary principals.

The reputation of our Easton Public School system continues to improve. This reputation is prompted by the accomplishments of our Easton young people when they go out into the world of work, when they go on to schools of higher learning, and when during their school career they participate in events involving other schools. Such success requires that the community provide the resources from which such a school system can be built. Horace Mann, as Massachusetts Commissioner of Education, said over one hundred years ago that no community should rest content being superior to other communities while it is inferior to its own capability. We feel that keeping our school system equal to the town's capability is our common goal, and we appreciate the opportunity to carry on this important part of community life.

Respectfully submitted,

NORMAN A. ANDERSON, Chairman
MRS. MARILYN COPELAND
DR. BARBARA GRAY
MR. LEO McEVOY
DR. GOODWILL STEWART

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Committee of Easton:

I hereby submit my ninth annual report as superintendent of the Easton Public Schools, including those of the supervising principals. This report is the eightieth in a series since the town authorized a superintendent of schools.

I recently reviewed two reports from Mr. Gilbert Mann, former superintendent, who retired in 1957. In a letter to the staff on June 19, 1957, he wrote as follows: "My greatest regret, and that which gives me something of a feeling of failure, is the fact that during my tenure of 32 years we have been unable to eliminate some of our small elementary schools. In my opinion the greatest weakness of our school system is the number of small school buildings we must use." I regret to say that nine years later we still have these small schools.

However, in another report to the capital budgeting committee dated September, 1956, Mr. Mann outlined many of the needs for up-dating the present school plants. I am happy to say that most of these changes have taken place. Listed at that time were the following suggestions:

1. The need for added high school facilities. A new build- to house 900 pupils is now a reality.
2. Up-dating of the heating systems in the older buildings which has been accomplished.
3. Modernization of lighting, most of which is now completed.
4. Additional elementary housing. This need has been temporarily met by the construction of the Parkview School and the addition at the Central School.
5. The addition of an all purpose room, kindergarten facilities, and added heating capacity at the North Easton Grammar School. This recommendation has not been carried out.
6. Abandon Unionville and South Easton Schools. These buildings are still being used.
7. Addition of eight rooms at the Center School. The construction of this addition is now in process.

8. Addition of rooms at the Furnace Village School. This need has been met temporarily by other construction.
9. Abandon Poquanticut School. This building is no longer being used as a school.

Our record of accomplishment for up-dating our schools has, on the whole, been satisfactory.

ADDITIONAL SCHOOL FACILITIES

The school facilities will soon become over crowded at both the junior high school and at the elementary school level. To alleviate this situation it will be necessary to build both elementary and junior high school facilities, or a junior high school facility, and use the present junior high for upper elementary classes. Although the junior high school building is more costly, the town will save many thousands of dollars by erecting a new junior high school and using the present facility for upper elementary classes. The present junior high building lacks many requirements for a modern junior high school program.

SCHOOL COSTS

We are reminded daily of the increasingly rising cost of purchasing the necessities of life—including education.

Good education can not be purchased at a bargain price.

The New England Business Review, September, 1963, is quoted as follows: "Everyone agrees that our young people need the best education that is within our power to give. Recognition is widespread that only a well educated labor force can fill the needs of our increasingly complex society. To a large extent, therefore, the future of the economy depends on our ability and willingness to provide this education for all our public school students."

In Education U.S.A., November 21, 1963, Robert A. Will, plant location manager for the Austin Company, is quoted as follows: "The quality of local school systems has come to the fore in recent years as an influential factor in decisions about plant location. The pupil teacher ratio, expenditure per pupil, presence or absence of consolidated schools and percentage of high school graduates in the community are among the factors taken into consideration when locating a new plant."

Real estate salesmen tell me one of the first questions asked by a prospective buyer is "How good are the schools in this community?"

The struggle for good schools is a constant battle. Citizens who believe in good schools must always be willing to serve and offer their support.

FEDERAL AID TO EDUCATION

During the session of the 89th Congress legislation was passed to give federal aid to education. Most of the legislation as now written had as its purpose the improvement and upgrading of education. Before money can be granted to a local community, projects must be submitted to the Massachusetts Department of Education for approval. These projects must fit into the guidelines as provided by the department before final approval is granted. Many of these projects must also fit into a long range program of improving education locally.

The law as written is a complicated one with five titles. The guidlines require a great deal of study and thought. Many school systems have appointed a special person to make a study of federal legislation as well as to be coordinator of all local projects to be submitted. This new federal legislation along with the increased growth of the school system requires extra help in the central office if we are to get maximum benefit from federal funds.

During the past year the following money has been received from either the state or federal government as a result of certain projects being carried out in our school system:

Public Law 85-864, Science, Mathematics, Lauguage, and Guidance Services	$ 2,367.23
Money to be received in January	2,214.20
Public Law 85-874 (Federally compacted Area)	13,415.00
Work Study Program Oliver Ames High School	2,770.10

Received as assistance from Federal Funds for the Oliver Ames High School Addition Project 1964-1965	14,242.18
Total	$35,008.71

In addition we have had approved projects in the amount of $1,847.57 for 1966, with other projects submitted and others being planned.

EVALUATION

The local school system is constantly evaluating the personnel, curriculum, and all other areas of the educational programs and the evaluative processes are mentioned in the principals' reports. We were most impressed with the results of the Iowa Test of Basic Skills which was administered to grades three, four, five and six in November. The percentile rank of pupils in Easton was very high in comparison with the national percentile rank.

RESULTS OF IOWA TESTS OF BASIC SKILLS

November, 1965

Grade	No. of pupils	Grade Norm.	Vocabulary	Reading Comprehension	Language Skills	Work Study Skills	Arithmetic Skills	Composite Score
3	260	3.3	3.7	3.7	3.8	3.7	3.7	3.7
Our percentile on the National scale			91	94	91	96	98	96
4	230	4.3	4.7	4.9	5.0	4.9	4.6	4.8
Our percentile on the National scale			89	93	92	96	87	94
5	219	5.3	5.8	6.2	6.4	6.2	5.8	6.1
Our percentile on the National scale			84	96	97	99	91	95
6	227	6.3	6.8	7.0	7.2	7.2	6.9	7.0
Our percentile			84	90	95	97	90	91

CONCLUSION

The most important factor in developing and maintaining an outstanding school system is the quality of the instructional staff. Easton continues to maintain its competitive position in attracting quality candidates through the adjustment of its salary schedule beginning September. 1966. If the teaching profession is to attract excellent teacher candidates to the profession, salaries must be commensurate with other professions and other skills. Easton has been most fortunate in having a staff dedicated to helping young people develop to the best of their ability.

To assure the future success of the Easton School System we must have citizens who are interested in good schools, a committee who will work for quality in education, a staff who is well trained and willing to give its best, and pupils who come to school with a willingness to learn.

Respectfully submitted,

PHILIP M. HALLOWELL,
Superintendent of Schools.

REPORT OF THE PRINCIPAL

Oliver Ames High School

Although the addition to Oliver Ames High School was opened for use in September of 1964, it was not until well into 1965 that it could be considered completed. The installation of folding doors in a large group room and the physical exercise room, and the enlargement of the library are major items completed this year. Folding doors greatly increase the versatility of both the aforementioned areas and the library, of course, is the heart of the academic program of the school. Without an adequate library learning would be stifled. The expansion of the library has made more study space available for students as well as more space for the book collection. The new carrels, or individual study desks, also add to the effectiveness of this facility.

In last year's report we considered each of the areas of the curriculum in detail thus in this reporting the developments since that time are mentioned. The foreign language offerings were enlarged in September with the addition of Spanish. It is our hope that in the coming years this will develop to become a full four year program as are French and Latin.

An addition to the revised and greatly diversified social studies curriculum of last year is the course entitled "20th Century." This is a pilot program developed by members of our department in conjunction with Dr. James P. Jones of Boston State College. The content is made up of a half year of urban society and a half year of foreign affairs, and the seminar technique of presentation has been used extensively.

The Work Study Program is now just over one year old. It was started in November, 1964, with eleven students and currently fourteen students are enrolled in the program and we have felt it to be worthwhile.

We have been informed that the program has qualified for partial reimbursement from the State Department of Education. State officials who examined the program were favorably impressed and felt that it could well serve as a model for other programs.

The goals of this program are to decrease the number of drop-outs and prepare terminal students for the work world. This is being accomplished by: (1) presenting an academic program where students could experience success; (2) finding jobs outside the school or bringing work in to aid students in the learning of work skills and (3) re-establishing student self-esteem through personal interest and guidance.

As this program continues to develop and more students in it reach the age of sixteen years, the work portion of it will increase in significance. Those businesses in the community which are able to contribute to the work experience phase of it will have more opportunity to contribute to its effectiveness.

The final major change in curriculum during the past year was the offerings in art. Because of greater interest it was necessary to increase the number of classes to three and as a result more homogenous grouping has been possible. The more talented and experienced students have been grouped allowing the instructor to conduct the program more effectively.

To accomplish the greatest educational achievement it is necessary to have continuous development of staff as well as curriculum. The high school is fortunate to have not only a very low rate of turnover in its staff but also a faculty which believes in maintaining its qualification at the highest possible level. Many of our teachers attend evening and Saturday courses during the school year and a large proportion of them attended National Institute and summer school programs in June, July and August.

In extra curricular areas the past year has been an unusual one. In athletics probably more championships were claimed by Oliver Ames High School than any other previous year. During the school year, closing in June, 1965, one State, two Eastern Massachusetts', one Southeastern Massachusetts' and four Hockomock League Championships came to Easton. In addition in the fall of 1965 renewed and enlivened interest in such areas as debating, dramatics, newspaper work and the like has been manifested. Active participation in extra-curricular phases of school life, in balance with the academic, is definitely a part of each student's education.

The members of the staff of Oliver Ames High School will continue to encourage and guide the young people of Easton in their education and development. They are most grateful to the citizens of Easton, The School Committee and Mr. Hallowell for their understanding cooperation and encouragement in working with and supporting the teachers in their efforts.

REPORT OF THE GUIDANCE DEPARTMENT

The Guidance Department feels fortunate in continuing to have as its personnel Mrs. Birute Silvia and Mr. Bradford Chase, as counselors at the high school, Miss Adelaide Johnson, as counselor at the junior high school, Mrs. Leslie Gustafson, as secretary, and Mrs. Louise Smith, as director.

A follow-up of the Class of 1965 has indicated that two-thirds of the class went on to further education, an increase of 10% over previous classes. The complete figures are as follows:

	Students	Percent
Four-year colleges	55	34
Two-year colleges (liberal arts, technical, business)	28	17
Nursing (R.N.)	6	3
Trade and Practical Nursing Schools	8	5
Evening schools	6	3
Prep schools	6	3
Employed	41	25
Military	13	8
At home	4	2
Married (including in "at home") — 3		
	166	100%

Many methods are used to try and help the students continuing on in their education to understand what they will encounter. We arrange an assembly for the seniors of last year's graduates to explain what their experiences have been on their new campuses. In the spring we present two filmstrips: "Freshman Year at College," which presents the areas of adjustments, and "The College Drop-Out," which presents the reasons for and problems of such a person. Just before graduation, we meet individually with each of the seniors to talk over any problems or apprehensions they have. We shall continue to hold in the spring our meetings for the parents of college-bound juniors. We also send a "profile" of our high school with the student's transcript to each school. This description helps the institution better understand the atmosphere of our school, our grading system, and our student body. We have received many favorable comments about this profile.

The Guidance Department is well aware that there is still an additional one-third of the class that is not planning to continue its education. We also meet with these people frequently and make available to them the tests of four outside organizations, one being the Massachusetts Division of Employment Security. We also make use of our library of vocational tapes and have a series of speakers on occupations and the armed services talk with interested students during the year.

Some of our students are uncertain that they want a high school diploma. Although we realize it is their choice to make, we try and give them a realistic picture of the world of the high school drop-out. A filmstrip is shown and discussed with the entire ninth grade, in small groups, called "The High School Drop-Out: Road to Nowhere." Comments from the students indicate that this approach has made them think about their future. For some of these students, our recently added Work-Study program has been the answer.

The decision to go on to further education, to work, or to drop out of school is made long before a child enters high school. We feel that the addition of a counselor at the elementary level would help these children at the time they are making such decisions. He would spend the majority of his time talking with pupils. Since he is not involved in grading or disciplining the student he does not build apprehension in the child; he simply listens to the child, keeping what he hears confidential, and helps the child understand his own actions. In this manner the counselor helps the pupils solve their own minor problems before they have a chance to grow. Since a problem can be dealt with more effectively and in a shorter period of time when it is small, elementary counseling would help save time, money, worry, and mental health in the upper grades.

An elementary counselor would, of course, work with more people than the children. He would serve parents, as well as faculty and administration, as a consultant, not only on individual students, but on general behavior problems as well. The differences between him and the Judge Stone Clinic consultant would be: the counselor would be available at critical times, would know the children and could individualize his comments, be available to talk with any of those involved, and would be interested in a wider span of behavior. He can also aid in the explanation of standardized tests, so that they are meaningful and more actively used. Federal funds are now available to hire such a person and buy his supplies. Since counseling should work preventively rather than curatively, we strongly suggest that these funds be utilized.

A major effort has been made this year to contact individually parents of our tenth-grade students. We feel that a conference uniting student, parent, and counselor would lead to better planning for the rest of the student's educational and vocational future.

The Guidance Department wants to take this opportunity to express its appreciation for the support from the townspeople and the School Committee for their cooperative assistance.

REPORT OF THE PRINCIPAL

Easton Junior High School

Nationally, the junior high school has developed from two basic considerations: the first, congestion in high school enrollments and, second, the realization that early adolescents require a school adaptable to their developmental characteristics.

Today, these factors along with better communication methods and technology are influencing different grade patterns and organization. The enrollment and existing school building space have influenced the grade organization at Easton Junior High School. At present, the enrollment includes three sixth grade classes, eight divisions in the seventh grade and eight divisions in grade eight.

The sixth grade program is partially departmentalized in the major subjects; this permits each faculty member to teach in his strength area. This type of scheduling provides a better learning situation academically and enables the pupils to adjust to various teachers and teaching techniques in preparation for the regular junior high school procedure.

To facilitate the transition from grade six to grade seven, a different type of orientation program was developed. This new procedure enabled each sixth grade teacher with his pupils to be scheduled into a regular junior high school program for one day during May. Each sixth grade teacher learned more about the junior high school's course offerings, and each sixth grade pupil was provided with an opportunity to comprehend not only the program but also the basic requirements for the forthcoming school year. A pupil guide was assigned to each pupil to assist him during the day and to answer any questions. Each orientation session was initiated and concluded by an address and a question-and-answer period under the direction of the guidance counselor and the principal. Pupils were provided with the booklet "Entering Easton Junior High School" which was further discussed by each sixth grade teacher.

A second phase of the orientation was conducted the first week of school to familiarize pupils with school services, requirements, and basic regulations. The concluding phase of the program involved parental participation in a Back-to-School Night on September 29th. The activities of the evening involved parents following an abbreviated form of their children's daily schedules. During this process teachers explained the requirements for the courses of study.

The reading program continues to be the key to improving pupil accomplishment in all subject areas. Therefore, the developmental reading program advances each pupil's ability in reading rate, accuracy, and comprehension. The remedial program enables specialized assistance to be given in areas of weakness. In order to determine each pupil's basic needs, diagnostic reading tests are administered each September. Based on the results of these tests, pupils are scheduled into from one to three reading periods per week.

The major areas of learning, English, social studies, mathematics, and science, continue to be evaluated and revised so that pupils will benefit from new practical approaches. New materials and other educational aids have been purchased when advisable to implement the learning situation. The structures of these critical areas have been organized in a sequential perspective to elementary and high school course curricula under the direction of the department heads and the administration.

Another important area of concern in the curriculum is conversational French. This discipline is approached in an audio-lingual method in order to master linguistic skills. Attention in this approach is focused on mastery of sound or phonetic skills of the language before becoming concerned and involved with the basic aspects of spelling and grammatical functions. The first step in this process involves comprehension of the spoken word before learning the skills of reading and writing. As the program evolves, more attention is focused on grammatical structure. Pupils are scheduled on a selective basis to participate in this course due to its intensive nature.

The developing of specialized skills occurs in physical education, home economics, and industrial arts. Two other course offerings, music and art, are incorporated in the curriculum not only to develop innate talent but also to teach knowledges and appreciation.

An area which is of vital service to the junior high school pupils is guidance. In addition to being concerned with helping individual pupils solve their problems, both personal and social, this program involves assisting them to plan their future.

Special educational opportunities which occurred during the year were the science fair conducted on March 30th for seventh and eighth grade pupils and the biennial physical education demonstration held May 11th. Also, extra-curricular activities include Student Council, National Junior Honor Society, vocal and instrumental music, and intramural athletics.

An excellent faculty effectively performing its responsibilities is the foundation of education at Easton Junior High School.

REPORT OF THE SUPERVISING PRINCIPAL

of the North District

I am pleased to submit my first report as Supervising Principal of the North District for the year 1965.

The total enrollment December 1, 1965 in the North District was 428 pupils. In the North Easton Grammar School this year we have two kindergartens, morning session 31, afternoon session 30 pupils, two first grades with 54 pupils, two second grades with 53 pupils, three third grades with 77 pupils, three fourth grades with 76 pupils and two fifth grades having 56 pupils. In Unionville there are 25 pupils in Grade One and 26 in Grade Two and one student being tutored.

This September two new teachers joined our staff. In Grade 3 Miss M. Diane McEachron replaced Miss Catherine Dineen who retired after many years of teaching. Miss Mary Wolfrum took the position held by Mrs. Barbara Coplin in Grade 3 at the North Easton Grammar School. Mrs. Coplin went to Grade 2 in Unionville to replace me. Mrs. Sadie McGarry was then appointed Head Teacher at Unionville. I became North District Supervisor replacing Miss Johanna G. McFadden who retired after 43 years of service in Easton.

In January, as usual, the Otis Tests were given in Grades 1 and 4. In November the Iowa Tests of Basic Skills were administered to Grades 3 through 5. These are given early in the school year to enable the teachers to recognize the weaknesses and strong points of the children in their classes.

Open House was held on May 12. At this time parents visited the school to observe the work of the children. In November, during American Education Week, Parent-Teacher Conferences were held. It gave an opportunity for parents to confer with the teacher about their children. It also helps the parents to become better acquainted with the school and its program.

During the past year the elementary teachers attended a course in New Mathematics at Parkview School, headed by Miss Kathryn Healey. A committee of elementary teachers studied the Mathematics curriculum in the elementary grades. As a result, a new course of study was developed by the teachers with Mrs. Florence O'Leary and Mr. Frank Sahl as chairmen of the primary and intermediate committees. The course of study includes some of the New Mathematics such as vocabulary, use of the set concept and other new processes.

The Spring Conference of the Bristol County Teachers' Association was held in Easton May 5, 1965. Easton teachers were host to fifteen hundred teachers from Bristol County who attended the various sectional meetings. Over sixty book companies exhibited new books and materials.

Safety Officer George Blood replaced Safety Officer George Randall as head of the Safety Patrol Boys in the schools. This year Officer Randall, who was substituting for Officer Blood, spoke to the boys of the importance of being a patrol boy and that their behavior should be such as to demand the respect of the boys and girls in the school. In the spring the boys received awards of merit at a luncheon given by the Easton Police Department.

This September we have tried to bring our school library up to date. Many new books have been added. The library is used by every class and each class has a scheduled time in which to visit the library. The reference books may be used by the pupils at any time.

Educational Television is viewed by the children of the school. Station WGBH, Channel 2, carries all the educational programs called "21 Inch Classroom." There are programs for all grades which include phonics, science, literature, music, and natural science. The broadcasting company's representative informed us that they were going to expand their program to incluude Art, Music Appreciation and Map Reading Skills. The teachers utilize the material in their classrooms.

We are always pleased to help young people who are planning to become teachers. Miss Harriet Andrews, Bridgewater State College (now Mrs. Walter Larson who teaches at the Center School) trained in our building. This fall we have Mr. John Slayton of Curry College and Miss Doris Olson from Bridgewater State College as trainees in the fourth and fifth grades.

I have attended several conferences this fall. From each I have learned many things about educational trends. On September 27, at Wellesley High School, I attended the conference about the new **Elementary and Secondary Education Act.** The Educational Symposium at Bridgewater State College, a part of the College's 125th Anniversary was held October 6. The topic of discussion was **Teacher Education Today.** The Fall Conference of the Massachusetts Elementary Principals' Association was held at Fitchburg, Massachusetts October 26. The traditional and progressive schools were discussed. The Eighty-Eighth Annual Convention of Bristol County Teachers' Association was held in Fall River, Massachusetts on October 29. All elementary teachers attended this conference and benefited by the program that was offered.

We are grateful to the following for their contributions this year:

To Miss Harriet Stone for her annual gift of books for the Mary A. Stone Library.

To Miss Irene Poirier, librarian at the Ames Free Library, for her time spent working with the children and presenting the State Reading Certificates to Grades 4 and 5.

To Mrs. Roger Leonard of Easton, children's librarian at the Canton Library, for helping us purchase new books for our library.

We are fortunate to have many modern facilities in the Grammar School. However, we would appreciate having acoustical tile in the assembly room which serves as our cafeteria. This would help to minimize the noise while lunch is being served. We need more parking area for the cars, for some of our cars now occupy space that should be available for playground. An intercommunication system would be very useful and a great time saver.

I am grateful for the cooperation and help given me by the School Committee, Mr. Hallowell and the North District Personnel since September, When I started as Principal of the North District.

REPORT OF THE SUPERVISING PRINCIPAL
of the Parkview School

The enrollment on opening day at the Parkview School in September 1965 was 610 pupils.

This year the Parkview School has a morning kindergarten class in the conference room conducted by Mrs. Priscilla Leighton. This is in addition to the regular morning and afternoon sessions conducted by Miss Troy. There are two first grades, two second grades, two third grades, three fourth grades, four fifth grades, five sixth grades and a remedial reading class in the building.

We have continued our modified form of team teaching in grade three at the Parkview School. The third grade teachers felt during the first year that their students received more individual attention with this program than in a self-contained classroom, therefore, we continued with the program for a second year.

Since the instigation of the program in grade three, other teachers in the building have been impressed. Interest grew through the year and reached the point where the staff in grades four, five, and six expressed a desire to embark on a similar type of cooperative teaching or departmental organization. After much planning and a number of meetings with staff members, a plan evolved last June to be started in September.

Students in grades four and five move from room to room during the morning only for instruction from each of the teachers within their respective grade level. During the afternoon all children remain in their homerooms.

The sixth grade is fully departmentalized for the school day. All teachers express approval in this type of school organization. It is different and does present some problems not confronted in a self-contained classroom. It is our desire to help the student gain more under this system. Teachers are working in areas in which they feel most confident. We are trying to capitalize on each teacher's strengths with the hope of offering more to all students.

The program I have outlined above is not new in the field of education. It does seem to be the current trend, but could not be accomplished without a cooperative staff and the consent of an understanding and progressive minded administration and school committee.

A language committee is presently working to update the language program in the elementary area. Constant evaluation and revision is necessary in the field of education as in all fields of endeavor to keep abreast with modern trends in an ever changing environment.

During the 1964-1965 school year Easton elementary teachers participated in a Modern Math study. This was under the direction of Miss Healey, Mathematics Department Head, at the Oliver Ames High School. This is one example of the inservice studies teachers must follow to be ever cognizant of current trends.

Many teachers in Easton are enrolled in courses in the various colleges and universities located in the greater Boston area.

The Iowa Test of Basic Skills was administered to grades three, four, five, and six during the month of November. These tests are being machine scored this year. This type of service makes it possible to compare progress of students within a building, a town, or nationally if desired.

The Parkview library is becoming more effective each year. More books are added annually to the shelves in order to fulfill the needs and interests of young minds. Northeastern University student teachers as well as Mrs. Styren, the school secretary, act as librarians. It is through their joint effort and the cooperation of the teachers that makes the library program a success.

On May 5, 1965, the Bristol County Teacher's Association held its annual convention in Easton. Both the High School and the Parkview School were utilized.

I was greatly impressed by how smoothly the displays were set up the morning of the convention. Much pre-planning took place before the final date.

The Educational Salesmen's Association of New England sent Mr. Miller a letter of appreciation. The letter stated that nowhere had custodians been more helpful and courteous than here. This was a well deserved compliment. The Educational Salesmen's Association only echoes what the staff at Parkview has known for a long time.

Mr. Preuss was most cooperative in having some of his boys help direct the parking of cars at the Parkview. He also sent girls to act as guides for the afternoon. It was a pleasure participating as one of the host schools.

The Glee Club from the East Freetown Elementary School visited the Parkview School on June 9th. The program presented by them was excellent. To allow all children at the Parkview to hear this group, they had to give a repeat performance each being approximately 45 minutes in length. This was a monumental task for these students as the temperature was extremely high and it was quite humid, but the group performed beautifully. Following lunch in the afternoon, Mrs. Sheridan, their director, and I walked her boys and girls through the building before they boarded their bus to visit the Simpson Spring Beverage Company. It was an excellent program and greatly impressed all the students at the Parkview School.

Officer George Randall treated all the patrol boys to a banquet at the Four Hundred Club on June 22. The boys from the Parkview School as well as from the North Easton Grammar School had a wonderful time. The highlight of the noon hour was the presentation by Officer Randall of a certificate of recognition for the duties faithfully performed by these boys during the current school year. Miss MacFadden, Mr. Hallowell and Officer Randall and I offered a few words of praise and thanks for a job well done. Each of the boys was well pleased and proud.

Easton continues to be a pleasant community in which to carry out the duties of my position. I attribute this to the genuine concern and interest everyone displays in the performance of his particular duties. Thank you all.

REPORT OF THE SUPERVISING PRINCIPAL

of the South District

I am pleased to submit my first report as principal of the South District.

Presently there are 607 pupils enrolled in the 21 classrooms in the South District. With the completion of the Center School addition it is hoped that the following objectives may be accomplished:

1. Discontinue the use of three basement classrooms.
2. Free the Center School cafetorium for the purposes for which it was intended.
3. Provide adequate classrooms for our kindergarten.
4. Return three sixth grade classes currently housed at the Junior High School to the South District.
5. Reduce the present pupil-teacher ratio.

We welcome three new teachers to our staff this year. At the Center School, Miss Elene Wipperman and Mrs. Harriet

Larson are teaching in grades four and five respectively. Miss Elizabeth Smith is a second grade teacher at the Eastondale School.

Two college students have participated in our program during the past year. A student teacher trained in grade two and a Curry College junior spent four weeks as an observer in grade four.

In November, the Iowa Tests of Basic Skills was administered to grades three through five. The Otis Mental Ability Tests were given to pupils of grades one and four. Both of these tests are consistent with our philosophy of continually evaluating the progress of our students in order to provide an optimum educational program.

A trip to the Boston Museum of Science proved of great value to the fifth grade pupils. Grades four and five enjoyed a stimulating space demonstration provided by NASA. We are also bringing the world into the classroom by means of our participation, in grades one through five, in the 21 Inch Classroom on Channel 2.

During the past year many new volumes were added to the existing library facilities. These acquisitions at the Center School allowed us to extend our formal library program to include those pupils in grades two and three. The nucleus now formed will continue to grow to provide adequate reference and recreational materials for our students.

The ever-changing needs of our children demand a critical and constant review of the curriculum. Toward this end, a course of study in elementary mathematics was completed this year by a committee of Easton teachers. This course of study is a useful supplement to the basic arithmetic curriculum.

Open House was held in May with all parents able to visit the classrooms and view displays of the children's work. During American Education Week in November, a total of 504 pupils were represented by parents who took the opportunity to confer with teachers. The parent-teacher conferences are a means of insuring valuable lines of communication between the home and school.

It has been said that public schools are a co-operative enterprise, the more co-operative the enterprise, the better the school system. I extend my appreciation to the School Committee, the Superintendent and the school personnel who have endeavored to make Easton a better school system.

SCHEDULE OF "NO SCHOOL" SIGNAL

The sirens of both the North Easton and South Easton fire stations will be used to sound the "no school" signal. The signal will be two blasts sounded three times in succession (2—2—2).

7:00 a.m. — No school all day at the Junior-Senior High Schools.

7:30 a.m. — No school all day in the elementary schools.

"No school" signals will be used only when weather conditions are unusually severe.The scattered population of the town and the extensive pupils transportation system make it necessary to sound the signal, if at all, a considerable time in advance of the opening hour of school sessions. It occasionally happens that weather conditions which appear promising at the hour the signal should be sounded become severe by the time many pupils start for school. Parents are requested to use their judgment in such cases as to whether or not a child should attend a school session. Absences from school under these circumstances will be marked in the school registers with distinctive marks and will not be counted against the child's perfect attendance record on the report cards.

Earle Timothy	Social Studies
Denise Tracey	Social Studies
Janet Wohlen	Typewriting

High honors are earned by pupils whose yearly marks in a particular department are all "A's"; honors are given those who have received but one "B", all other yearly marks being "A". Honors are not given in subjects requiring less than two years in curriculum nor to any pupil pursuing a subject less than the maximum number of years.

CLASS OF 1965

SUMMARY OF THE AMES TRUST FUNDS

The following statement is supplied the Town Treasurer by the office of the Trustees of the Ames Trust Funds.

Following is a summary of the Ames Trust Funds held for the benefit of the Town of Easton as of December 31, 1965, together with an estimate of 1966 income. The estimate for 1966 income is based on the amounts which the various companies are now paying. This estimate does not allow for any deductions which may be made before the net income is paid to the Town of Easton; neither does it take into consideration any extra dividends which might be paid by the various companies.

Funds for the Benefit of the Easton Highways

	Book Value	Approximate Market Value	Income Paid in 1965	Est. Income Fr. Securities in 1965
Original Fund	$792,947.84	$1,468,950.53	$51,174.04	$46,000.00
Permanent Fund	39,343.69	61,325.16	2,196.28	1,800.00

Funds for the Benefit of the Easton Schools

Original Fund	$648,029.19	$1,278,699.35	$44,375.74	$40,000.00

WARRANTS AND PROCEEDINGS
FOR THE
TOWN OF EASTON

For the Year Ending December 31, 1965

ANNUAL TOWN MEETING

MARCH 15, 1965

COMMONWEALTH OF MASSACHUSETTS

Bristol, ss.

To either of the Constables of the Town of Easton in the County of Bristol.

GREETINGS:

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify and warn the inhabitants of the Town of Easton qualified to vote in elections and town affairs to meet in the Oliver Ames High School Gymnasium in said Easton on Monday, the 15th day of March, next at 8:00 p.m. then and there to act upon the following articles:

Article 1. To see if the Town will vote to accept the reports of the Selectmen, Assessors, Board of Public Welfare, Board of Health, Water Commissioners, Town Clerk, Treasurer, Collector of Taxes, School Committee, Town Accountant, Tree Warden and any committee of the Town and take action relative thereto.

Article 2. To see if the Town will vote to raise and appropriate such sums of money as may be necessary to defray the Town charges for the ensuing year and make appropriations for the same.

Article 3. To see if the Town will vote to raise and appropriate a sum of money for Memorial Day and Armistice Day to be expended under the direction of Elijah A. Morse Camp, Sons of Union Veterans of the Civil War; George S. Shepard, Post No. 7 American Legion; George F. Schindler, Post No. 2547, Veterans of Foreign Wars.

Article 4. To see if the Town will vote to authorize the Town Treasurer with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the Financial Year beginning January 1, 1966 and to issue a note or notes therefor payable within one year and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, of the General Laws.

Article 5. To see what sums of money the Town will vote to instruct the Assessors to use from surplus revenue to reduce the tax levy for the current year.

Article 6. To see if the Town will vote to purchase a Four-Wheel drive front-end loader for the Highway Department and to raise and appropriate a sum of money therefor.

Article 7. To see if the Town will vote to authorize the Selectmen to raise and appropriate for highway purposes, such sums as may be necessary for maintenance, improvement and construction of streets within the Town, said money to be used in conjunction with any money which may be allotted by the State or County for the purpose, or to take any other action in relation thereto.

Article 8. To see if the Town will vote to raise and appropriate a sum of money to be expended by the Moth Superintendent in Control Work against the Dutch Elm Disease.

Article 9. To see if the Town will vote to raise and appropriate a sum of money for the purchase of trees for the Tree Department.

Article 10. To see if the Town will vote to purchase two new Police Cruisers for the Police Department and to apply two of the automobiles of said department towards the purchase price of the same, and raise and appropriate a sum of money therefor.

Article 11. To see if the Town will vote to amend the provisions of Article XIV of the Town By-laws so that in place thereof there shall be substituted the following:

Article XIV—Personnel Administration

Section 1. Application

This by-law shall apply to all regular employees of the Town other than those appointed by the School Committee.

Section 2. Personnel Regulations

a. A new employee is to be hired at the minimum rate for the category in which he or she is hired, except that he may be hired at a higher rate within the category at the discretion of the Selectmen (or other appointing authority) upon written recommendation by the Department Head.

b. All new employees are on a probationary basis for the first SIX months and may be discharged for cause any time therein without privilege of hearing.

c. Employees on a permanent basis may be discharged for cause by the Department Head with the following to be used as a guide:

If the employee's work performance, conduct, attitude or appearance becomes unsatisfactory, he should be duly notified by the Department Head and given the opportunity to reform. A report of any such action shall be submitted in writing to the Selectmen (or other appointing authority). An employee has the right to request a hearing by the Selectmen (or other appointing authority) at this time.

Section 3. Work Week

a. The Standard work week for full-time employees (other than Town Office personnel, whose work week shall be five consecutive days of seven hours each and other than Fire Department personnel—forty five hours a week) shall be five consecutive eight-hour calendar days to a total of forty hours.

b. Department Heads shall not be governed in work hours by the Standard work week, but shall work not less than forty hours in any week and as many additional hours as are necessary to properly supervise their Departments.

Section 4. Overtime and Premium Payments

a. Salaried personnel shall not be paid for hours worked in excess of forty hours in any one week, but may receive hour for hour compensatory time off, provided that proper records (including date, hours worked and reason) are kept, and with the permission of the Appointing Authority.

b. Hourly employees shall be paid at the rate of time and one-half for each hour worked in excess of the Standard eight in any one regularly scheduled working day, or for time worked on Saturdays, Sundays or Holidays in excess of the forty scheduled weekly hours.

Section 5. Vacation Leave

Vacation leave with pay shall be granted to permanent full-time employees except Police and Fire personnel, as follows:

a. The vacation year of the Town of Easton shall start on the anniversary date of the employee's date of full-time employment.

b. Employees shall be credited as of their anniversary date with vacation leave with pay not to exceed the following:

1. For less than one year's service, one-half day for each complete month of service.
2. For service of one year but less than ten, TWO WEEKS.
3. For service in excess of ten years, THREE WEEKS.

c. When a paid holiday falls within an employee's paid vacation period on a working day, the paid vacation shall be extended one day.

d. Department Heads shall grant vacation leave as such times during the vacation year as will best serve the public interest. Preference shall be given persons on the basis of seniority.

e. Vacation leave shall be used during the year in which it is earned, or shall be forfeited.

f. An employee who is separated from the employ of the Town (or dies) shall be paid (or the beneficiary) in a lump sum for the number of days of unused vacation leave. An employee who enters military service may either obtain a lump-sum payment for the number of days of unused vacation leave, or may elect to let it accrue until he returns.

Section 6. Non-Occupational Sick Leave Payments

a. Full-time personnel shall receive a credit of five days for paid sick leave during the first six months of employment and shall accrue one day a month thereafter, without limit.

b. In the case of illness or non-occupational injury that prevents the employee from working, play shall be continued to the extent of the accumulated paid sick leave credits. Any case in which the credits are insufficient shall be considered on its own merits in keeping with existing laws.

c. Accrued sick leave credits shall have no cash value, and any employee found abusing the sick leave provisions shall be subject to immediate discharge, including the surrender of any unused vacation benefits.

d. Notification of absence shall be given by the employee as early as possible on the first day of absence. If such notification is not made, such absence may, at the discretion of the Department Head or Appointing Authority, be applied to absence without pay. The Head of each department shall personally investigate and ascertain the validity of any request for non-occupational sick leave made by an employee of his department. A physician's certificate may be required by the Department Head for absences over five consecutive working days.

e. The Department Head shall be responsible for keeping each employee's Paid Sick Leave Credit Account, adding accruals and deducting uses as they occur, each by a separate entry and all by date. A quarterly accounting shall be forwarded to the Selectmen or other Appointing Authority.

Section 7. Occupational Sick Leave

a. The payment of compensation to employees who are absent from work because of injury arising out of employment in the Town service shall be subject to the following provisions:

   1. Each employee subject to Ch. 152 of the General Laws (Workmen's Compensation) shall be entitled to the benefits of that Chapter, and shall also be entitled to use accumulated non-occupational sick leave credits on a pro rata basis, while such credits are available, to the extent that a full week's pay will be received.

   2. Each employee not covered by Ch. 152 (Police and Fire) shall be entitled to receive his full pay for the period of his incapacity. If such period exceeds thirty days, continued approval beyond such period shall be subject to approval of the Selectmen, who may require periodic written medical testimony supporting the claim of continued incapacity as a condition precedent to its approval.

3. Any employee on occupational sick leave shall not work at any other job during the period of his incapacitation. Violation shall result in the immediate discontinuance of any Town benefit.

Section 8. Holidays

a. The following will be paid holidays:

January 1
February 22
April 19
May 30
July 4
Labor Day
October 12
November 11
Thanksgiving Day
December 25

b. If an employee is required to work a holiday which falls within his regularly scheduled work week, he shall be paid at the regular hourly or salary rate, but shall receive compensatory time off at his request at the discretion of the department head or Appointing Authority.

c. If any employee is required to work a holiday outside his regularly scheduled work week, he shall be paid at either straight time or overtime, whichever would be applied were it not a holiday.

d. If any of the above holidays falls on a Saturday or Sunday, the preceding Friday or succeeding Monday MAY BE TAKEN OFF, at the discretion of the Superintendent with prior approval of the Selectmen or Appointing Authority.

Section 9. Bereavement Leave

a. When a leave of absence is requested by an employee because of a death in his or her immediate family (limited to Mother, Father, Wife, Husband, Brother, Sister and Children), a leave of up to Three days will be granted, with pay. This leave terminates at the close of the burial day.

Section 10. Other Leave with Pay

a. No charge is made against leave in certain instances, such as taking part in official training programs, when approved by the Department Head or by the Appointing Authority; blood donations, up to four hours; etc.

Article 12. To see if the Town will vote under Massachusetts General Laws (Ter. Ed.) Chapter 121, Section 26K, as amended, to establish a Housing Authority and in that connection to make any and all determinations and declarations deemed necessary or desirable, and take any action in relation thereto.

Article 13. To see if the Town will vote to adopt the following resolution:

WHEREAS the General Court sitting as a Constitutional Convention, did on July 16, 1963, give initial approval to a Home Rule amendment to the state Constitution, and

WHEREAS this bill of rights for local governments requires a second approval by the members of the General Court during this legislative session, and

WHEREAS we, as members of this Town Meeting, feel competent to handle the affairs of our town without strict supervision by the Commonwealth of our every act and deed.

NOW THEREFORE BE IT RESOLVED that this town meeting hereby instructs its representatives to the General Court to vote in favor of the Home Rule proposal (H 1384 of 1963 as revised) when it comes before them.

or, take any other action relative thereto.

Article 14. To see if the Town will vote to amend the By-laws of the Town, pursuant to the provisions of Section 21 (11) of Chapter 40, and amendments thereof by inserting after Article XV the following new Article.

Article XVI. Trade or Sale of Obsolete Personal Property

That any Board or officer in charge of a department of the Town may, with the approval of the Selectmen, sell any personal property of the Town within the possession or control of the department which has become obsolete or is not required for further use by the department, or trade the same in part payment for replacements for which funds have been provided.

Article 15. To see if the Town will vote to purchase a Rubbish Truck for the Highway Department and to raise and appropriate a sum of money therefor.

Article 16. To see if the Town will vote to authorize the Board of Selectmen, for and in behalf of the Town, to acquire by gift, a certain parcel of land on Foundry Street, bounding Easton Furnace Station Number 3, as shown on a plan of land on file in the Town Clerk's office, the fee thereof to be conveyed to the Town by the owner thereof, Belcher Malleable Iron Co., by deed of gift, the same to be used for Fire Department purposes.

Article 17. To see if the Town will vote to authorize the Moderator to appoint a committee of five (5), consisting of one member of the Board of Selectmen, one member from the Police Department, one member from the Fire Department, and two other citizens of the Town, to study the needs of such departments for new Police and Fire Stations, said committee to report its findings and recommendations at the next annual Town meeting, or at any prior special Town meeting, or to take any other action relative thereto.

Article 18. To see if the Town will vote to appropriate a sum of money for the purchase of a Combination Fire Truck for the Fire Department, and determine whether the money shall be provided for by taxation, by appropriation from available funds in the treasury or by borrowing under the provisions of Chapter 44 of the General Laws.

Article 19. To see if the Town will vote to authorize the committee appointed under Article 19 of the Annual Town Meeting of 1964, to continue its work and studies of the equipment needs of the Fire Department, said committee to report its further findings and recommendations at the next regular Town Meeting, or at any earlier special Town meeting, or to take any other action in relation thereto.

Article 20. To see if the Town will vote to authorize the Fire Chief to appoint three additional permanent firemen in accordance with the provisions of Chapter 48, Section 42 of the General Laws, and to raise and appropriate a sum of money therefor.

Article 21. To see if the Town will vote to instruct the School Committee to operate the schools of the town and offer certain specific courses during the six weeks of the summer months and raise and appropriate a sufficient sum of money to cover the cost of the same.

Article 22. To see if the Town will vote to accept the report of the School Building Committee appointed under Article 23 of the Warrant for the Annual Town Meeting of 1964 or take any other action relative thereto.

Article 23. To see if the Town will appropriate a sum of money for constructing and originally equipping and furnishing an addition to the Center School, and determine whether such appropriation shall be raised by taxation, by transfer from available funds, by borrowing, or by any combination of these methods, or take any other action in relation thereto.

Article 24. To see if the Town will vote to authorize the Moderator to appoint a committee to be known as the Center School Addition Building Committee, consisting of nine (9) individuals, two (2) of whom shall be members of the School Committee, to enter into, execute and deliver in behalf of the Town, such agreements, contracts or other instruments as may be necessary, to incur indebtedness and pay the same, all for the purpose of constructing an addition to the Center School, and for originally equipping and furnishing said addition, or to take any other action relative thereto.

Article 25. To see if the Town will vote to authorize the moderator to appoint a School Building and School Site Committee, consisting of nine individuals, two of whom shall be members of the School Committee and two members from the Finance Committee and the Superintendent of Schools as a member ex officio, to obtain school building plans, drawings and specifications for additional school facilities and to recommend the purchase of sites for future school facilities and to raise and appropriate or transfer from available funds in the treasury a sum of money for use of said committee and to authorize said committee to make application to the United State of America for a financial advance and assistance under the provisions of Public Law 560 of the 83 Congress for securing preliminary and final plans, specifications, and construction bids for the construction of additional school building facilities, or take any action in relation thereto.

Article 26. To see if the Town will vote to transfer a sum of money already credited to the Water Department to the Bonded Indebtedness Account or to take any other action in relation thereto.

Article 27. To see if the Town will vote to purchase a compressor for the Water Department and to appropriate a sum of money from Water Available Surplus Account, or to take any action in relation thereto.

Article 28. To see if the Town will vote to authorize Water Commissioners to appropriate the sum of $66,022.51 from the balance remaining from money raised and appropriated under Article 16 of the Warrant of the Annual Town Meeting of March 18, 1963, and to appropriate from Water

Available Funds such further sum as may be necessary to install new well, pump station, pump equipment and to lay water mains of not less than 12″ from present end at Highland Street and Foundry Street, southerly on Foundry Street to Old Foundry Street then southwesterly across Norton Avenue to well-site, a distance of approximately 5600′ or to take any other action in relation thereto.

Article 29. To see if the Town will vote to set a rate of $4.50 a linear foot as a rate of assessments to be charged to abuttors on public ways for the construction of Water Mains as authorized by Chapter 40 of the G.L., sections 42G—42I inclusive, or to take any other action in relation thereto.

Article 30. To see if the Town will vote to extend the Water Mains from present main on Bay Road westerly on Rockland Street to Mansfield line and from the present terminus on Poquanticut Avenue northerly on Poquanticut to Rockland Street and to raise and appropriate a sum of money therefore, or to take any other action in relation thereto.

(By Petition)

Article 31. To see if the Town will vote to authorize the Selectmen for and in behalf of the Town, to purchase, acquire by gift, or take by right of eminent domain, a perpetual easement in and over a certain strip of land forty (40) feet in width, from Norton Avenue to the “Red Mill Road” well site, as shown on a plan of land, on file with the Town Clerk’s office, for purposes of ingress and egress from said Norton Avenue to said well site, to install and maintain water pipes and other pipes thereunder, and to install and maintain poles and wires for electricity, telephone and other necessary means of communication, or take any other action relative thereto.

Article 32. To see if the Town will vote to raise and appropriate a sum of money, to purchase, acquire by gift, or take by right of eminent domain, a perpetual easement from Norton Avenue to the “Red Mill Road” well site, and the expenses therefor, or take any other action relative thereto.

Article 33. To see if the Town will vote to raise and appropriate, or appropriate from available funds, a sum of money necessary to keep Oakes Ames Memorial Hall in good order and repair, said sum of money being necessary to pay the maintenance expenses of said hall in excess of the rental and trust fund income, or to take any other action relative thereto.

Article 34. To see if the Town will vote to transfer certain lands taken by the Town for nonpayment of taxes to the control and management of the Conservation Commission of the Town, in accordance with Section 8C of Chapter 40 of the General Laws, as amended, or do or act anything relative thereto.

Article 35. To see if the Town will vote to authorize the World War Veterans Memorial Scholarship committee to establish two scholarships, the first of which to be effective in June 1965, and the second to be effective in June 1967, each of said scholarships to pay Four Hundred ($400.00) dollars per year for a four year term and to be awarded thereafter on alternate odd numbered years, or take any other action relative thereto.

Article 36. To see if the Town will vote to raise and appropriate a sum of money to correct drainage conditions on Purchase Street by replacing the old stone culvert near the Easton County Club with a double pipe drain, forty (40) feet in width, or to take any other action relative thereto.

Article 37. To see if the Town will vote to raise and appropriate a sum of money to be expended for the printing and distribution of valuation lists, showing the owners of record and the assessed valuation of each parcel of land and the structures thereon, and each item of personal property in the Town carried on the Assessors lists, as of January 1, 1965, or to take any other action relative thereto. (By Petition)

Article 38. To see if the Town will vote to raise and appropriate a sum of money to correct drainage on Pine Lane, by installing six (6) catch basins and one thousand feet of 12-inch pipe from a point near No. 15 Pine Lane, around Elliot Circle to Seaver Street, or take any other action relative thereto. (By Petition)

Article 39. To transact any other business that may legally come before said meeting.

And you are directed to notify and warn the inhabitants of the Town of Easton, qualified to vote in elections, residing in Precinct One, to meet at the Harmony Grange Hall; those residing in Precinct Two to meet at the Easton Junior High School auditorium; and those residing in Precinct Three, to meet at the South Easton School House on Monday, the 22nd day of March next at 10:00 o'clock in the forenoon to bring in their votes all on one ballot for one member of the Board of Assessors, for a term of three years; one member of the Board of Health, for a term of three years; one Selectman for a term of three years; one member of the Board of Public Welfare, for a term of three years; two members of the School Committee, for a term of three years; Moderator, for a term of one year; one member of the Board of Water Commissioners, for a term of three years; Tree Warden for a term of one year; one member of the Planning Board, for a term of five years; two members of the Recreation Commission, for a term of three years; five members of the Finance Committee, for a term of three years.

The Polls will be open at 10 o'clock a.m. and shall be closed at 8:00 o'clock p.m.

You are directed to serve this Warrant by posting attested copies thereof, one at each meeting house and post office in said Town, and one at the Oliver Ames High School Gymnasium, and one in the Town Offices, seven days at least before the time of holding said meeting.

Hereof fail not, and make due return of this Warrant with your doings thereon to the Town Clerk at the time and place of holding said meeting, and said Town Clerk is hereby required to make return of this Warrant to the Warden or Deputy Warden at the time and place of holding said meeting for the election of officers, and said Warden is hereby required to make return of this Warrant to the Town Clerk, together with his return of officers elected at the close of said meeting.

Given under our hands this 12th day of February in the year nineteen hundred and sixty-five.

GEORGE CRAVENHO
Selectmen of Easton
Easton, March 5, 1965

Bristol, ss.

By virtue hereof, and as within directed, I have this day posted attested copies of the warrant.

GEORGE A. PIERSON
Constable of Easton

ANNUAL TOWN MEETING

MARCH 15, 1965

The meeting was called to order at 8:00 P.M. by Moderator, Leo M. Harlow, at the Oliver Ames High School Gymnasium. Mr. Harlow declared a quorum to be present. 414 registered voters attended the meeting.

At this time Mr. Harlow asked Town Counsel, Martyn H. Lincoln to preside as Mr. Harlow wished to make a few remarks which are quoted as follows:

> "In November 1911, I was first given the chance to preside at Town Meeting and have served since, except for military duty. You have been kind to return me to this office each year and I fully appreciate the opportunity to serve you. I have tried to be fair and have tried to permit frank and free discussion. I thank you from the bottom of my heart for the chance to serve you for the past 55 years."

Mr. Harlow, after thanking Mr. Lincoln, called for the meeting to proceed.

Voted to grant permission to five exchange students and their hosts, three students to man the microphones, The Easton Bulletin photographer, and Senator John Quinlan, to enter the meeting.

Voted to dispense with the reading of the warrant.

Article 1. Voted to accept the reports of the Selectmen, Assessors, Board of Public Welfare, Board of Health, Water Commissioners, Town Clerk, Treasurer, Collector of Taxes, School Committee, Town Accountant, Tree Warden.

At this time Mr. William F. E. Buchtmann, Chairman of the Finance Committee, explained the computation of the tax rate and gave the estimated rate as $43.10 per thousand.

Article 2. Voted to accept the budget as a whole with the exception of any items the meeting wished to discuss separately. Mr. Buchtmann read each item and gave the meeting a chance to hold up any item to be discussed later. Section 1 of the appropriations was to be deferred until action on Article 37 at which time it was voted.

Article 11. Voted to amend the provisions of Article XIV of the Town By-Laws so that in place thereof there shall be substituted Article XIV as printed in the warrant under this article. (Unanimous Vote)

Article 12. Voted that whereas there exists in the Town a shortage of safe sanitary dwellings available for families or elderly persons of low income at rentals which they can afford; and that whereas it is hereby determined that a Housing Authority is needed for the provision of housing for families or elderly persons of low income; that it be hereby voted that the Easton Housing Authority shall be organized and established under the provisions of Massachusetts General Laws (ter. ed.) Chapter 121, Section 26K and acts in amendment thereof an in addition thereto.

Voted to recess until 8:00 P.M. Thursday evening, March 18, 1965 at this same hall.

At this time Mr. Thomas Canan came to the stand and asked that the meeting pay tribute to Mr. Harlow for his long and faithful service to the Town.

Letters of tribute were read from Senator Edward Kennedy; Congressman Joseph Martin; and Speaker of the House John McCormick; and the Board of Selectmen; Resolutions of the House of Representatives signed by Secretary of State, Kevin H. White.

The meeting extended a "Rising Vote of Thanks" to Mr. Harlow, for his faithful service to the Town.

NOTICE OF ADJOURNED ANNUAL TOWN MEETING

MARCH 16, 1965

Be it known that the Annual Town Meeting held March 15, 1965 was duly adjourned to Thursday, March 18, 1965 at eight o'clock P.M. in the Oliver Ames High School Gymnasium to see what action the Town will take in respect to Item 1 or Article 2, and Articles 13 through 39 inclusive, and any and all matters that may legally come before the meeting.

STANLEY F. RICE
Town Clerk of Easton

ADJOURNED TOWN MEETING

MARCH 18, 1965

The meeting was called to order at the Oliver Ames High School Gymnasium on March 18, 1965 at 8:00 P.M. by the Moderator, Leo M. Harlow, who declared a quorum to be present. 270 voters attended the meeting.

Voted to grant permission to architects Mr. Korslund and Mr. Edward Dunn to enter the meeting.

Article 13. Voted to adopt the following resolution:

WHEREAS the General Court sitting as a Constitutional Convention, did on July 16, 1963, give initial approval to a Home Rule amendment to the State Constitution, and

WHEREAS this bill of rights for local governments requires a second approval by the members of the General Court during this legislative session, and

WHEREAS we, as members of this Town Meeting, feel competent to handle the affairs of our town without strict supervision by the Commonwealth of our every act and deed.

NOW THEREFORE BE IT RESOLVED that this town meeting hereby instructs its representatives to the General Court to vote in favor of the Home Rule proposal (H 1384 of 1963 as revised) when it comes before them.

Article 14. Voted to amend the By-Laws of the Town, pursuant to the provisions of Section 21 (11) of Chapter 40, and amendments thereof by inserting after Article XV the following new Article.

> **Article XVI.** Trade or Sale of Obsolete Personal Property.
>
> That any Board or officer in charge of a department of the Town may, with the approval of the Selectmen, sell any personal property of the Town within the possession or control of the department which has become obsolete or is not required for further use by the department, or trade the same in part payment for replacements for which funds have been provided. (Unanimous Vote)

Article 15. Voted to purchase a Rubbish Truck for the Highway Department and to raise and appropriate the sum of $11,500.00 therefor.

Article 16. Voted to authorize the Board of Selectmen, for and in behalf of the Town, to acquire by gift, a certain parcel of land on Foundry Street, bounding Easton Furnace Station Number 3, as shown on a plan of land on file in the Town Clerk's office, the fee thereof to be conveyed to the Town by the owner thereof, Belcher Malleable Iron Company, by deed of gift, the same to be used for Fire Department purposes.

Article 17. Voted to authorize the Moderator to appoint a committee of five (5) consisting of one member of the Board of Selectmen, one member from the Police Department, one member from the Fire Department, and two other citizens of the Town, to study the needs of such departments for new Police and Fire Stations, said committee to report its findings and recommendations at the next annual Town Meeting, or at any prior special Town Meeting. Voted to raise and appropriate the sum of $750.00 therefor.

Article 18. Voted to raise and appropriate the sum of $27,000.00 for the purchase of a Combination Fire Truck for the Fire Department.

Article 19. Voted to authorize the committee appointed under Article 19 of the Annual Town Meeting of 1964, to continue its work and studies of the equipment needs of the Fire Department, said committee to report its further findings and recommendations at the next regular Town Meeting, or at any earlier special Town Meeting. (Mr. Harlow appointed the same committee to continue this work).

Article 20. This article was not a vote.

Article 21. This article was not a vote.

Article 22. Voted to accept the report of the School Building Committee appointed under Article 23 of the Warrant for the Annual Town Meeting of 1964.

Article 23. Voted that the sum of $328,000 be hereby appropriated for the purchase of constructing and originally equipping and furnishing an addition to the Center School building and that to meet said appropriation the sum of $28,000 be appropriated from available funds in the Treasury and that the Treasurer with the approval of the Selectmen be and hereby is authorized to borrow the sum of $300,000 under authority of Chapter 645 of the Acts of 1948, as amended, and to issue bonds or notes of the Town therefor, payable in accordance with the provisions of Chapter 44, of the General Laws.

(Vote—Affirmative 198, Negative 5)

Article 24. Voted to authorize the Moderator to appoint a committee to be known as the Center School Addition Building Committee, consisting of nine (9) individuals, two (2) of whom shall be members of the School Committee, to enter into, execute and deliver in behalf of the Town, such agreements, contracts or other instruments as may be necessary, to incur indebtedness and pay the same, all for the purpose of constructing an addition to the Center School, and for originally equipping and furnishing said addition.

The Moderator, Mr. Leo M. Harlow, gave the following names as members of said committee immediately after the vote was declared. Mr. Richard H. Chase, Mr. Norman A. Anderson, Mr. George T. McGarry, Mr. Thomas J. Canan, Mr. Robert Gilmore, Mr. Leo D. McEvoy, Mrs. Elsa Getchell, Mrs. Ethel Anderson, and Mr. Manuel J. Santos.

Article 25. Voted to authorize the moderator to appoint a continuing School Building and School Site Committee, consisting of nine individuals, two of whom shall be members of the School Committee and two members from the Finance Committee and the Superintendent of Schools as a member ex officio, to obtain school building plans, drawings and specifications for additional school facilities and to recommend the purchase of sites for future school facilities and to transfer the balance of $4,728.63 from the Parkview School account for use of said committee and to authorize said committee to make application to the United States of America for a financial advance and assistance under the provisions of Public Law 560 of the 83 Congress for securing preliminary and final plans, specifications and construction bids for the construction of additional school building facilities and the following resolution was adopted.

TOWN MEETING — RESOLUTION

March 15, 1965

Authorizing filing of application with the United States of America for an advance to provide for the planning of public works under the terms of Public Law 560, 83rd Congress of the United States, as amended.

WHEREAS, "Town of Easton, Massachusetts" (herein called the "Applicant") after thorough consideration of the various aspects of the problem and study of available data has hereby determined that the construction of certain public works, generally described as "a new school is desirable and in the public interest and to that end it is necessary that action preliminary to the construction of said works be taken immediately; and

WHEREAS, under the terms of Public Law 560, 83rd Congress, as amended, the United States of America has authorized the making of advances to public bodies to aid in financing the cost of engineering and architectural surveys, designs, plans, working drawings, specifications or other action preliminary to and in preparation for the construction of public works; and

WHEREAS, the applicant has examined and duly considered such act and the applicant considers it to be in the public interest and to its benefit to file an application under said act and to authorize other action in connection therewith;

NOW, THEREFORE, be it resolved by the inhabitants of the Town of Easton at the Annual Town meeting of 1965, the governing body of said applicant, as follows:

1. That the construction of said public works is essential to and is to the best interests of the applicant, and to the end that such public works may be provided as promptly as practicable it is desirable that action preliminary to the construction thereof be undertaken immediately;
2. That the Superintendent of Schools, now Philip M. Hallowell, be hereby authorized to file in behalf of the applicant an application (in form required by the United States of America and in conformity with said act) for an advance to be made by the United States of America to the applicant to aid in defraying the cost of plan preparation for the above described public works, which shall consist generally of "a new school building."
3. That if such advance be made, the applicant shall provide or make necessary arrangements to provide such funds, in addition to the advance, as may be required to defray the costs of the plan preparation of such public works;
4. The said "Superintendent of Schools, now Philip M. Hallowell", is hereby authorized to furnish such information and take action as may be necessary to enable the applicant to qualify for the advance;
5. That the officer designated in the preceding paragraph is hereby designated as the authorized representative of the applicant for the purpose of furnishing to the United States of America such information, data, and documents pertaining to the application for an advance as may be

required; and otherwise to act as the authorized representative of the applicant in connection with this application.

6. That certified copies of this resolution be included as part of the application for an advance to be submitted to the United States of America.

Article 26. Voted to transfer the sum of $65,000 already credited to the Water Department to the Bonded Indebtedness Account.

Article 27. Voted to purchase a compressor for the Water Department and to appropriate the sum of $2,755.00 from Water Available Surplus Account.

Article 28. Voted to authorize the Water Commissioners to appropriate the sum of $66,022.51 from the balance remaining from money raised and appropriated under Article 16 of the Warrant of the Annual Town Meeting of March 18, 1963, and to appropriate from Water Available Funds the sum of $8,500.00 to install new well, pump station, pump equipment and to lay water mains of not less than 12″ from present end at Highland Street and Foundry Street, southerly on Foundry Street to Old Foundry Street then southwesterly across Norton Avenue to well-site, a distance of approximately 5600'.

Article 29. Voted to set a rate of $4.50 a linear foot as a rate of assessment to be charged to abuttors on public ways for the construction of Water Mains as authorized by Chapter 40 of the General Laws, Section 42G-42I inclusive.

Article 30. This article was not a vote.

Article 31. Voted to authorize the Selectmen for and in behalf of the Town, to purchase, acquire by gift, or take by right of eminent domain, a perpetual easement in and over a certain strip of land forty (40) feet in width, from Norton Avenue to the "Red Mill Road" well site, as shown on a plan of land, on file with the Town Clerk's office, for purposes of ingress and egress from said Norton Avenue to said well site, to install and maintain water pipes and other pipes thereunder, and to install and maintain poles and wires for electricity, telephone and other necessary means of communication.

(Affirmative 114 Negative 12 Not voting 144)

Article 32. Voted to raise and appropriate the sum of $150.00 to purchase, acquire by gift, or take by right of eminent domain, a perpetual easement from Norton Avenue to the "Red Mill Road" well site, and the expenses therefor.

Article 33. Voted to raise and appropriate the sum of $2,500.00 to keep Oakes Ames Memorial Hall in good order and repair, said sum of money being necessary to pay the maintenance expenses of said hall in excess of the rental and trust income.

Article 34. Voted to transfer certain lands taken by the Town for nonpayment of taxes to the control and management of the Conservation Commission of the Town, in accordance with Section 8C of Chapter 40 of the General Laws, as amended.

Article 35. Voted to authorize the World War Veterans Memorial Scholarship committee to establish two scholarships, the first of which to be effective in June 1965, and the second to be effective in June 1967, each of said scholarships to pay not over Four Hundred ($400.00) dollars per year for a four year term and to be awarded thereafter on alternate odd numbered years.

Article 36. Voted to raise and appropriate the sum of $800.00 to correct drainage conditions on Purchase Street by replacing the old stone culvert near the Easton Country Club with a double pipe drain, forty (40) feet in width.

Article 37. Voted to raise and appropriate the sum of $2,000.00 to be expended for the printing and distribution of valuation lists, showing the owners of records and the assessed valuation of each parcel of land and the structures thereon, and each item of personal property in the Town carried on the Assessors lists as of January 1, 1965, less abatements, excluding statutory abatements.

Item 1 of Article 2 was voted before this article.

Article 38. This article was not a vote.

Mr. Harlow, at this time, called on the meeting to honor Mr. Stanley F. Rice, who is retiring March 31st as Town Clerk, Treasurer and Collector after about a quarter century of service to the Town. Mr. Rice thanked the meeting and stated that he had enjoyed his work and association with the people.

Mr. Harland F. Almquist then asked the meeting to honor Miss Margaret E. Harvey, who has recently retired as Director of Old Age Assistance and Board of Public Welfare. A standing vote of thanks was extended to Miss Harvey for efficient and sincere welfare service to the Town of Easton.

Voted to adjourn.

STANLEY F. RICE,
A true record. Attest: Town Clerk

ANNUAL TOWN ELECTION

MARCH 22, 1965

In accordance with the warrant, the voters of the town met at their respective polling places on Monday, March 22, 1965.

The polls were opened at ten o'clock A.M. and closed at eight o'clock P.M.

STANLEY F. RICE,

A true record. Attest: Town Clerk

REPORT OF THE FINANCE COMMITTEE

To the Citizens of Easton, Massachusetts

Your Finance Committee respectfully reports its recommendations concerning the Town Warrant for the Annual Town Meeting.

The Property Tax is the prime source of tax revenue in Easton and unless the State provides assistance, we must continue to obtain our revenue from this source. The prospect of substantial relief from industry is still several years away.

The Town of Easton is growing and this growth is accelerating. We must be prepared to cope with this growth in an orderly manner and for this reason, the Finance Committee has encouraged the Planning Board in its efforts to prepare a Master Plan. This will enable the Town to utilize all of its resources to the best advantage with special emphasis on separation of residential, business and industrial areas. We urge your support of the Master Plan at Town Meeting.

We are now feeling the effects of the Town's failure to provide a Personnel Board. As a result, the Finance Committee must spend a disproportionate amount of time analyzing requests for salary increases and attempting to maintain a proper balance, based on experience level, responsibility assumed and knowledge required, between employees in various departments.

We have continued our established policy of cooperation with all Town Officials, Department Heads, Commissions, etc., in an effort to coordinate all Town requirements. We have recommended salary increases in several departments and are also recommending the purchase of a Sky-worker for the Tree Department and a Brush Fire truck for the Fire Department, to replace a 1935 vehicle. We must continue to replace or add some equipment each year, rather than having to purchase several expensive items in one year, as happened in 1965.

When you study the budget requests of the various administrative departments, we would suggest that particular attention be given to the increases requested by the various departments for extra clerical help. The growth of the Town and the increased work load in the various departments indicate that we must take a new look at the general administrative set-up. The Finance Committee believes that our goal should be coordination of the various departments. Our growth should be controlled and directed. To accomplish this, we must establish a central office or clearing house, to which all departments have access, and through which all inquiries may be properly channeled. For this reason, we are not recommending several requests for increases for extra clerical help. It has been suggested that rather than have several part time clerks in the various departments, receiving nominal salaries, the Town employ one person to do the clerical work of all these departments, and that this clerk be available at the Town Offices daily, to provide assistance for the Townspeople. Applications could be directed to the proper departments systematically, and the records and recommendations of each department would be centrally located and available to all.

The salaries now paid and budget requests presented for extra clerical help in the various departments, would be more than adequate to pay a qualified person to fill this position, and we believe that we would be getting more efficient government for the tax dollar.

Unfortunately, our School Department costs continue to rise faster than our tax base. This Committee agrees with the School Committee that Easton should have quality schools, but we also believe that costs must be kept at a level consistant with our ability to pay. This year, as in the past, we have had a sub-committee working throughout the year with the School Committee. One of our members has attended many of their meetings and the entire Finance Committee met twice with the School Committee. It was our hope that we could make them aware of the financial needs of the rest of the Town and to persuade them to limit their budgetary increases. The results were rather disappointing, and as a Committee, we voted to recommend the 1966 School Budget only because the law provides no reasonable alternative.

Respectfully submitted,

ROBERT J. WOOD, Chairman
ROY E. OWENS, Vice-Chairman
EARL F. ATWOOD, Secretary

TOWN OF EASTON

ANNUAL TOWN MEETING

WARRANT

MONDAY, MARCH 21, 1966

COMMONWEALTH OF MASSACHUSETTS

Bristol, ss

To either of the Constables of the Town of Easton in the County of Bristol.

GREETINGS:

In the name of the Commonwealth of Massachusetts, you are hereby directed to notify and warn the inhabitants of the Town of Easton qualified to vote in elections and town affairs to meet in the Oliver Ames High School Gymnasium in said Easton on Monday, the 21st day of March, next at 8:00 p.m. then and there to act upon the following Articles:

Article 1. To see if the Town will vote to accept the reports of the Selectmen, Assessors, Board of Public Welfare, Board of Health, Water Commissioners, Town Clerk, Treasurer, Collector of Taxes, School Committee, Town Accountant, Tree Warden and any committee of the Town and take action relative thereto.

Article 2. To see if the Town will vote to raise and appropriate such sums of money as may be necessary to defray the Town charges for the ensuing year and make appropriations for the same.

Article 3. To see if the Town will vote to raise and appropriate a sum of money for Memorial Day and Armistice Day to be expended under the direction of Elijah A. Morse Camp, Sons of Union Veterans of the Civil War; George S. Shepard, Post No. 7 American Legion; George F. Schindler, Post No. 2547, Veterans of Foreign Wars.

Finance Committee Recommends $750.00.

Article 4. To see if the Town will vote to authorize the Town Treasurer with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the Financial Year beginning January 1, 1967 and to issue a note or notes therefor payable within one year and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, of the General Laws.

Article 5. To see what sum of money the Town will vote to instruct the Assessors to use from surplus revenue to reduce the tax levy for the current year.

Finance Committee Recommends $140,000.00.

Article 6. To see if the Town will vote to authorize the Selectmen to raise and appropriate for highway purposes, such sums as may be necessary for maintenance, improvement and construction of streets within the Town, said money to be used in conjunction with any money which may be allotted by the State or County for the purpose, or to take any other action in relation thereto.

Finance Committee Recommends $2,000.00.

Article 7. To see if the Town will vote to raise and appropriate a sum of money to be expended by the Moth Superintendent in Control Work against the Dutch Elm Disease.

Finance Committee Recommends $7,552.00.

Article 8. To see if the Town will vote to raise and appropriate a sum of money, for the purpose of constructing and originally equipping and furnishing a combination Police and Fire Station and to determine whether such appropriation shall be provided by taxation, by appropriation from available funds in the treasury, by borrowing under the authority of Chapter 44, as amended, or by any combination of these methods, or take any other action in relation thereto.

Article 9. To see if the Town will vote to authorize the Moderator to appoint a committee of five (5) citizens to be known as the Police and Fire Station Committee and to authorize this committee to enter into, execute and deliver in behalf of the Town such agreements, contracts, and other instruments, and incur indebtedness and pay same, all for the purpose of constructing a combination Police and Fire Station, originally equipping and furnishing same, or to take any other action in relation thereto.

Article 10. To see if the Town will vote to purchase a Backhoe for the Highway Department, for use with the Front end loader, and to raise and appropriate a sum of money therefor.

Finance Committee Does Not Recommend.

Article 11. To see if the Town will vote to purchase a Self-powered sweeper for the Highway Department, and to raise and appropriate a sum of money therefor.

Finance Committee Does Not Recommend.

Article 12. To see if the Town will vote to raise and appropriate a sum of money to replace the Highway Department Garage Roof, or take any other action relative thereto.

Finance Committee Recommends $2,760.00.

Article 13. To see if the Town will vote to raise and appropriate a sum of money for the construction of a 40 x 50 addition to the Highway Department Garage, to be used for equipment storage, or to take any other action relative thereto.

Article 14. To see if the Town will vote to purchase two new Police Cruisers for the Police Department and to apply two of the automobiles of said department towards the purchase price of the same, and raise and appropriate a sum of money therefor.

Finance Committee Recommends $2,642.00.

Article 15. To see if the Town will vote to purchase a Forest Fire Truck for the Fire Department, to replace an obsolete 1935 Fire Truck, and to raise and appropriate a sum of money therefor.

Finance Committee Recommends $9,000.00.

Article 16. To see if the Town will vote to authorize the Fire Chief to appoint three additional permanent firemen in accordance with the provisions of Chapter 48, Section 42 of the General Laws, and to raise and appropriate a sum of money therefor.

Finance Committee Recommends One Fireman at $4,080.00 and Recommends $3,120.00.

Article 17. To see if the Town will raise and appropriate to the Planning Board the sum of Fifteen Thousand Dollars ($15,000.00) for the Planning Board to be used to retain the firm of Metcalf & Eddy, Inc., for the preparation of a Master Plan and Program for the Town or take any other action in relation thereto.

Finance Committee Recommends $15,000.00.

Article 18. To see if the Town will vote to raise and appropriate a sum of money to be used as salary for members of the Planning and Zoning Board.

Finance Committee Does Not Recommend.

Article 19. To see if the Town will vote to accept Laurel Drive as a public highway as shown on a plan entitled "Plan of Land in Easton belonging to Eldon H. Gardner" dated May 31, 1962, on file at the Town Clerk's Office and approved by the Planning Board, the fee to said Laurel Drive to be conveyed to the Town by the owners thereof by deed or gift, or to take any other action in relation thereto.

Finance Committee Refers to Town Meeting.

Article 20. To see if the Town will vote to accept Beech Tree Lane as a public highway as shown on a plan entitled "Plan of Land in Easton, Bristol County, Mass." dated April 28, 1964, owned by James A. & Barbara J. Riley, on file at the Town Clerk's office and approved by the Planning Board, the fee to said Beech Tree Lane to be conveyed to the Town by the owners thereof by deed or gift, or to take any other action in relation thereto.

Finance Committee Refers to Town Meeting.

Article 21. To see if the Town will vote to authorize the Selectmen, for and in behalf of the Town, to purchase, to acquire by gift or to take by right of eminent domain, certain land, or a portion thereof, situated south and westerly of the present high school lot, as shown on a plan on file in the Town Clerk's office, the same to be used for school purposes, or to take any other action in relation thereto.

Article 22. To see if the Town will vote to raise and appropriate a sum of money, to purchase, acquire by gift, or take by right of eminent domain, certain land, or a portion thereof, situated south and westerly of the present high school lot, as shown on a plan on file in the Town Clerk's office, and the expenses therefor, or take any other action relative thereto.

Article 23. To see if the Town will vote to transfer the balance of $6,023.79 from the Parkview construction account appropriated under Article 5 of the Special Town Meeting held on February 15, 1960, to the Center School Addition Project as authorized under Article 23 of the 1965 Annual Town Meeting.

Finance Committee Recommends $6,023.79.

Article 24. To see if the Town will vote to purchase a Skyworker for the Tree Department, and to raise and appropriate a sum of money therefor.

Finance Committee Recommends $14,000.00.

Article 25. To see if the Town will raise and appropriate the sum of $5,000.00 for the expenses of the Easton School Study Committee.

Finance Committee Recommends $5,000.00.

Article 26. To see if the Town will vote to instruct the School Committee to operate the schools of the town and offer certain specific courses during the six weeks of the summer months and raise and appropriate a sufficient sum of money to cover the cost of the same.

Finance Committee Does Not Recommend.

Article 27. To see if the Town will vote to raise and appropriate a sum of money to construct the following drainage system: A new catch basin to be installed on the north side of Depot Street at the junction of said Depot Street and Priscilla, and to run a section of drainage pipe southerly from said new catch basin about 40 feet to an existing dry well at the south side of said Depot Street, thence to run drainage pipe from said dry well southerly in said Priscilla Road about 200 feet to a new catch basin to be installed in said Priscilla Road, thence to run drain pipe from said new catch basin southerly in said Priscilla Road about 200 feet to an existing catch basin in said Priscilla Road, with said construction and installation of catch basins and drainage pipe to be contingent upon the owner of the fee in said Priscilla Road giving the Town a drainage easement in said Priscilla Road, or to take any other action relative thereto.

Article 28. To see if the Town will raise and appropriate, or appropriate from available funds, a sum of money necessary to keep Oakes Ames Memorial Hall in good order and repair, said sum of money being necessary to pay the maintenance expenses of said hall in excess of the rental and trust fund income, or to take any other action relative thereto.

Finance Committee Recommends $2,500.00.

Article 29. To see if the Town will vote to raise and appropriate a sum of money to pay for the materials to be used in the replacement of the driveway of the Oakes Ames Memorial Hall, or to take any other action relative thereto.

Finance Committee Does Not Recommend.

Article 30. To see if the Town will vote to raise and appropriate a sum of money to replace the existing water service under the driveway of the Oakes Ames Memorial Hall, or to take any other action relative thereto.

Finance Committee Does Not Recommend.

Article 31. To see if the Town will vote to transfer a sum of money credited to the Water Department to the Bonded Indebtedness Account or to take any other action in relation thereto.

Article 32. To see if the Town will vote to authorize the Town Treasurer with the approval of the Board of Selectmen to borrow a sum of money, to issue bonds or notes of the Town, therefor, and to authorize the Board of Water Commissioners to expend the money for the following purposes; to lay water mains of not less than 6 inches and not more than twelve inches on the following streets of the Town, Allen Road 6,500 feet, Rockland Street 8,750 feet, Mill Street 4,400 feet, Massapoag Avenue 11,750 feet, Poquanticut Avenue 7,875 feet, Beaver Dam Road 3,250 feet, Randall Street 8,000 feet, Prospect Street 8,875 feet, Foundry Street 5,675 feet, Bay Road 7,000 feet, Dean Street 6,375 feet, Howard Street 8,000 feet, Chestnut Street 8,000 feet, a total distance of about 94,450 feet. The bonds or notes of the Town to be paid in not less than fifteen (15) years, or take any other action in relation thereto.

Article 33. To see if the Town will vote to set a rate of $4.50 a linear foot as a rate of assessment to be charged to abuttors on public ways for the construction of Water Mains as authorized by Chapter 40 of the General Laws, section 42G—42I inclusive, or to take any other action in relation thereto.

Article 34. To see if the Town will vote to authorize the Conservation Commission to contract, in the name of the

Town, with any agency of the United States Government in order to obtain financial assistance for the purchase of conservation or open space land and to receive and expend federal and other funds; or to act in any other manner in relation thereto.

Article 35. To see if the Town will appropriate an additional sum of money to the Conservation Fund established by vote under Article 32 of the Warrant for the Annual Town Meeting held on March 16, 1964, and determine whether the money shall be provided by the current tax levy, by transfer from available funds, by borrowing or by any combination of these methods, or act in any other manner in relation thereto.

Article 36. To see if the Town will vote to authorize the Conservation Commission to expend from the Conservation Fund a sum of money to acquire by purchase or otherwise, in the name of the Town, for conservation purposes as provided by Section 8C of Chapter 40 of the General Laws, all or any portion of the following described parcel of land; The land in Easton known as the Wheaton Farm and consisting of the following several parcels:

Parcel 1: Easterly by Bay Road, 1,447.86 feet, Southwesterly by lands now or formerly of Arthur S. Belcher and of John Kimball et al 2,719.93 feet, South Easterly by said Kimball et al land 859.10 feet, Southwesterly by land now or formerly of Lloyd S. Lincoln et al 509 feet, northwesterly 299.94 feet, southwesterly 140.58 feet, westerly 164.37 feet and southerly 446.32 feet by land now or formerly of George E. Williams, westerly by land now or formerly of Durward W. Sisson et al, 289.29 feet and northerly 427.19 feet and westerly 209.09 feet by land now or formerly of George E. Williams, northerly by land now or formerly of Frank L. Woodbridge 791.70 feet, northeasterly 345 feet, easterly 104.28 feet, northerly 379.60 feet and northwesterly 38.96 feet by land now or formerly of John A. Phelan et al, northeasterly 755.40 feet, northwesterly 99.94 feet, northeasterly 644.91 feet and westerly 59.54 feet by land now or formerly of William J. Rankin et al, and Northerly by lands now or formerly of Walter L. Hallet, of Jesse Williams and by other land now or formerly of the said Walter L. Hallet, 1,048.83 feet. Being Parcel A on Subdivision Plan 5405A, excepting, however, from said Lot A so much thereof as was conveyed by the Trustees of the Wheaton Farm Realty Trust to William J. Robinson et ux, by deed dated June 26, 1961, recorded with the records of the Land Court in the Bristol County Northern District Registry of Deeds as Document #8142 and noted on Certificate of Title #2989 with said records at Book 17, Page 134. Said excepted parcel containing 2 acres of land and being Lot 1 on Plan 5405B filed in the Land Registration Office, said plan having been drawn by Kenneth C. Hayward, Surveyor, and dated September 26, 1960. Also, another certain parcel of land in said Easton, bounded Northwesterly by Bay Road 2146.23 feet, Northerly by Prospect Street 284.23 feet, Easterly 143.76 feet, Northerly 132.96 feet and Westerly 72.72 feet by land now or formerly of the Town of Easton, Easterly by land now or formerly of Sarah C. Chase 279.62 feet, Northerly by said Chase land 491.76 feet, Easterly by land now or formerly of Frank L. Woodbridge 670.13 feet, Northerly by said Woodbridge land 625 feet, Easterly by said Woodbridge land and by land now or formerly of Benjamin Lincoln 726 feet, Southerly by land now or formerly of Lloyd S. Lincoln et al 1237.77 feet, Westerly 413.22 feet, Southerly 319.21 feet, Easterly 907.55 feet, Southerly 171.60 feet and Southwesterly 317.79 feet by land now or formerly of Manuel C. Amaral. Said parcel is shown as Lot B on said plan 5405A. All of said boundaries are determined by the Court to be located as shown on a plan drawn by E. B. & C. L. Hayward, Surveyors, dated January 1915, as modified and approved by the Court, filed in the Land Registration Office, a copy of a portion of which, shown on 2 sheets, is filed with the original certificate of title issued on decree.

Parcel 2. Beginning at a corner of land now or formerly of Helene L. Brottendieck in the westerly line of Bay Road; thence by said Bay Road North 21° 16' East 99.97 feet to a turn; thence North 24° 45' East 98.05 feet to a turn; thence North 26° 45' East 381.35 feet to a corner; thence 15.96 feet: thence North 51° 32' West 155.38 feet to a turn; thence North 51° 43' West 562.85 feet to a turn; thence North 53° 54' West 146.25 feet to a turn; thence North 47° 5' West 94.05 feet to a turn; thence North 42° 1' West 242.29 feet to a corner; thence South 41° 7' West 875.18 feet to a turn; thence South 38° 32' West 393.61 feet to a corner; thence South 76° 50' 30" East by said Grottendieck land 1515 feet to the point of beginning. Excepting from the above lot 1 as shown on Plan 5506C, the same also being shown as Document No. 9279, recorded October 31, 1963 in Land Court Records in the Bristol County Northern District Registry of Deeds, and including those parcels shown on Plan 5506A, excepting therefrom Lot A on Plan 5506B.

Parcel 3. The land in Easton containing 9¼ acres, more or less and situated on the High Plain so called. Beginning at a white oak tree and running thence South 1° West 43 rods, more or less, to a corner of land formerly of Francis Williams, thence North 64° West by land of said Williams 38 rods more or less; thence North 14° East 47 rods more or less; thence South 50° East by land formerly of Shepard Leach 30 rods to said point of beginning. Also the land in Easton containing about 4 acres of woodland situated on the High Plain and bounded and described as follows: Beginning at Smith's Corner near an oak tree; thence North 87½° West 16 rods and 20 links to a bunch of maples, a corner; thence North 41½° West 16 rods and 15 links; thence North 45½° West 5 rods and 10 links; thence East 12⅝° North 40 rods, 7 links thence North 20¼° East 2 rods; thence East 16½° South 2 rods and 9 links; thence 22¼° West 18 rods and 6 links; thence South 19° West 10 rods and 22 links to the first corner; Also all other land in Easton owned by Mary E. Williams on April 3, 1961 and situated in the area bounded and described as follows: North by Highland Street, East by Bay Road; West by Foundry Street and South by the Town line of Easton and Norton.

Parcel 4. That certain lot of Woodland situated in said Easton, containing three acres three quarters and thirteen rods, lying West of land conveyed to Henry Nodges; and bounded, beginning at the Southeast corner of the lot and the Southwest corner of the said Nodges land; thence North 28¼° West one chain twenty eight links; thence North 7¾° West 3 chains and 33 links; thence North ½° West 1 chain and 90 links; thence North 10° East 5 chains and 19 links thence North 3⅛° West 3 chains and 15 links; thence North 16½° East 1 chain and 88 links, all by said Nodges line to the North line of the lot; thence North 45-2/3° West 3 chains and 25 links by a wall to a corner; thence South 4½° West 16 chains and 50 links to the Southwest corner of the lot by land now or formerly of Spaulding and others; thence South 58-1/3° East 4 chains and 3 links to the point of beginning.

Parcel 5. That certain lot of woodland situated in said Easton, containing 23½ acres and 25 rods bounded: Beginning at an oak tree at the Southeast corner of the lot; thence South 69¼° West 7 chains and 90 links by land now or formerly of Howard; thence North 80½° West 3 chains and 3 links to a heap of stones; thence North 76½° West 4 chains and 95 links to a heap of stones; thence North 21¼° West 3 chains 81 links to a heap of stones; thence North nearly 23 degrees East 18 chains and 72 links of land of one Howard, to the Northwest corner of the lot; thence South 58½° East 6 chains and 60 links; thence South 13½° East 4 chains and 82 links; thence South 13° East 11 chains and 80 links to the first named bound.

Parcel 6. That certain tract of woodland situated in Easton on High Plain so-called, containing 25 acres and 20 rods of land be the same more or less, bounded and described as follows: Beginning at a corner of Lemuel Keigh's stone wall, where there is a hundred tons of stones, and is a corner of land formerly owned by Daniel Wheaton and a corner of Colonel Williams land, thence South 12½° West 7 rods and 12 links, thence West 12½° North 56 rods; thence North 10° East 8 rods and 15 links; thence West 15½° North 4 rods and 22 links; thence South 10½° West 8 rods 24 links; thence South 1½° West 27 rods and 1 link; thence South 26 East 38 rods; thence East 12° South 71 rods and 12 links; thence North 19° West 74 rods to the first bound.

Parcel 7. That certain lot of woodland situated in Easton containing 6 acres, three quarters and 25 rods bounded: Beginning at an oak tree a corner near the cartpath; thence South 73° East 6 chains and 22 links to the East corner and land now or formerly of one Lothrop; thence South 43½° West 8 chains and 53 links by said Lothrop's land; thence North 76⅛° West 8 chains and 52 links to the Southwest corner of the lot; thence North nearly 13 degrees East 3 chains and 45 links; thence North 69¼° East 7 chains and 90 links by land conveyed to George E. Williams, to the first named bound.

Parcel 8. Also about 4 acres of woodland situated in said Easton on High Plain so-called and bounded as follows: Beginning at G. W. Smith's corner near an oak tree; thence North 87½° West 16 rods and 28 links to a bunch of maples a corner; thence North 41½° West 16 rods and 15 links; thence North 45½° West 5 rods and 10 links; thence East 12⅝° North 40 rods and 7 links; thence North 20¼° East 2 rods; thence East 16½° South 2 rods and 9 links; thence South 22¼° West 18 rods and 6 links thence South 19° West 10 rods and 22 links to the first corner and is the same land that Nathaniel S. Godfrey bought of Silas B. and Nathaniel Williams.

Parcel 9. The land in Easton, West of Bay Road, near the house formerly owned by Daniel B. Wheaton, bounded and described as follows: Beginning at the corner of a wall by a white oak tree, the southwest corner of the premises and running thence South 46° 50' East by the wall and fence 70 rods and 10 links to a corner; thence South 35° 30' West 27 rods and 11 links to a corner of land now or formerly of Francis Williams; thence South 55° 45' East 20 rods and 20 links to a corner in line of said Williams' land; thence North 35° East 22 rods and seven links to a turn; thence North 37° 30' East 54½ rods to a corner; then Northwest by a stonewall 91 rods and 8 links to a corner; thence by a wall South 34° 30' West 52 rods to the said point of beginning. Containing 32 acres and 63 rods, more or less.

Parcel 10. A certain lot or parcel of land situated in said Easton containing 8.50 acres, be the same more or less, bounded and described as follows: Beginning at the most Northerly corner of the premises and running thence by a stone wall and approximately South 48° East about 752.40 feet to the corner of a wall; thence by a stonewall and approximately South 28° 30' West about 482.2 feet to a corner of land now or formerly of Malcolm B. Beattie et ux; thence North 78° 33' West 379.6 feet; thence North 6° 27' East 104.28 feet; thence North 41° 56' West 345 feet all by land of the said Beattie to a corner of land formerly of Frank L. Woodbridge; thence approximately North 24° East about 240 feet to a turn; thence approximately North 30° 20' East about 305 feet to the point of beginning; or act in any other manner in relation thereto.

Article 37. To see if the Town will vote to amend the By-Laws of the Town by inserting after Article XVI the following new Article.

Article XVII Junk and Car Disposal Law

1. No person shall store or place, or permit to be stored or placed, on premises which he owns, leases, or occupies, any debris, junk, scrap metals or other waste materials or products, which in the opinion of the Board of Selectmen shall be considered detrimental to the public safety, health and good.
2. No junked, disabled, or unregistered motor vehicles or parts thereof, shall be stored, parked or placed on any premises unless the same shall be within a building or area unexposed to view of the public and abuttors, or within an area licensed under Chapter 140 Sections 55 and 57 of the General Laws for the storage of same by licensed junk dealers and automobile dealers.

3. Not more than one (1) unregistered car or truck shall be kept at anytime or place in Easton, without written permission of the Selectmen. All such cars must be reported as Personal Property to the Assessors, and taxed at full cash value, or not less than One Hundred Dollars ($100.00).

4. Any person violating any of the provisions of this By-Law, after 10 days from being legally notified of their violation, shall be fined not more than $20.00 for each offense. Each day that such violation continues, shall be considered as a separate offense. This By-Law shall be enforced by the Police under the direction of the Board of Selectmen. (By petition)

Article 38. To see if the Town will vote to raise and appropriate a sum of money to correct the bad drainage condition on Summer Street near the pond, by installing one or more catchbasins, and drain pipe from them to the pond. Mr. Gilmore, the owner, will give an easement, at no cost, to the town. (By petition)

Article 39. To see if the Town will vote to extend the Water Mains from present main on Bay Road westerly on Allen Road one half mile and raise and appropriate a sum of money therefore, or to take any other action in relation thereto. (By petition)

Article 40. To see if the Town will vote to extend Water Mains from the present terminus on Poquanticut Avenue, northerly to Rockland Street and from the present main on Bay Road westerly on Rockland Street to Massapoag Avenue and southerly on Massapoag Avenue to Poquanticut Avenue, and to raise and appropriate a sum of money therefor, or to take any other action in relation thereto. (By petition)

Article 41. To see if the Town will vote to extend the water main from present main at junction of Foundry Street and Prospect Street southwesterly on Prospect Street for a distance of 2,700 feet (more or less) and to raise and appropriate a sum of money therefore or to take any other action in relation thereto. (By petition)

Article 42. To see if the Town will vote to extend the water main from the present main, at the junction of Foundry Street and Prospect Street southwesterly on Prospect Street to Bay Road and thence northerly on Bay Road to the existing end and to raise and appropriate a sum of money and/or to take any other action in relation thereto. (By petition)

Article 43. To see if the Town will vote to amend the present Town Zoning By-Laws so that the area starting at the corner of Foundry and Turnpike Streets, thence Northerly along the East line of Turnpike Street to Purchase Street, thence Easterly along the South line of Purchase Street to the West Bridgewater line, thence Southerly along the Easton-West Bridgewater line to Foundry Street and thence Westerly along the North line of Foundry Street to the point of beginning, as shown on a plan on file at the Town Clerk's Office which presently appears on the "Protective By-Law Map of Easton" as being partly in a business zone and partly in a single residence zone, shall be classified and defined in its entirety on said map as an industrial zone, or to take any other action relative thereto. (By petition)

Article 44. To see if the Town will vote to amend the present Town Zoning By-Laws so that the area starting at a point on Summer Street at the center line of Randall Street as it intersects Summer Street, thence Southeasterly along a line from the above point through the center of the Easton Center Monument to Center Street, thence Northerly along the West line of Center Street to Summer Street, thence Westerly along the South line of Summer Street to the point of beginning, as shown on a plan on file at the Town Clerk's Office, which presently appears on the "Protective By-Law Map of Easton" as being in an industrial zone, shall be classified and defined in its entirety on said map as a single residence zone, or take any other action relative thereto.
(By petition)

Article 45. To see if the Town will vote to amend the present Town Zoning By-Laws so that the area starting at the corner of Belmont and Washington Streets, thence Southerly along the East line of Washington Street to the Northernmost bank of the Queset River, thence Easterly along the North bank of the Queset River to Turnpike Street, thence Northeasterly along the Northwest line of Turnpike Street to the West Bridgewater line, thence Northerly along both the Easton-West Bridgewater line and the Easton-Brockton line to Belmont Street, thence Westerly along the South line of Belmont Street to the point of beginning as shown on a plan on file at the Town Clerk's Office, which presently appears on the "Protective By-Laws Map of Easton' as being partly in a business zone, partly in an industrial zone and partly in a single residence zone, shall be classified and defined in its entirety on said map as an industrial zone or to take any other action relative thereto. (By petition)

Article 46. To transact any other business that may legally come before said meeting.

And you are directed to notify and warn the inhabitants of the Town of Easton, qualified to vote in elections, residing in Precinct one, to meet at the Harmony Grange Hall; those residing in Precinct two to meet at the Easton Junior High School auditorium; and those residing in Precinct three, to meet at the South Easton School House on Monday, the 28th day of March next at 10:00 o'clock in the forenoon to bring in their votes all on one ballot for one member of the Board of Assessors, for a term of three years; one Selectmen for a term of three years; one member of the Board of Public Welfare, for a term of three years; one member of the Board of Health, for a term of three years; one Town Clerk, for a term of three years; one Town Treasurer, for a term of three years; one Town Collector, for a term of three years; two members of the School Committee, for a term of three years; Tree Warden, for a term of one year; Moderator, for a term of one year; one member of the Board of Water Commissioners, for a term of three years; one member of the Planning Board, for a term of five years; two members of the Recreation Commission, one member for a term of three years, one member for a term of two years; seven members of the Finance Committee, five members for a term of three years, two members for a term of one year; four members of the Housing Authority; one member of the Southeastern Regional School District, for a term of one year.

The Polls will be open at 10:00 o'clock a. m. and shall be closed at 8:00 o'clock p. m.

You are directed to serve this Warrant by posting attested copies thereof, one at each meeting house and post office in said Town, and one at the Oliver Ames High School Gymnasium, and one in the Town Offices, seven days at least before the time of holding said meeting.

Hereof fail not, and make due return of this Warrant with your doings thereon to the Town Clerk at the time and place of holding said meeting, and said Town Clerk is hereby required to make return of this Warrant to the Warden or Deputy Warden at the time and place of holding said meeting for the election of officers, and said Warden is hereby required to make return of this Warrant to the Town Clerk, together with his return of officers elected at the close of said meeting.

Given under our hands this 21st day of February in the year nineteen hundred and sixty-six.

ARTHUR H. TUFTS
RICHARD J. KENT
GEORGE CRAVENHO
Selectmen of Easton
